

Local Scientists Pursue Elusive Cause of Cancer

By HARRIET AINSWORTH

Contra Costa scientists are responsible for some of the most significant advances yet made in the investigation of cancer, the nation's second largest killer and certainly the most cruel disease besetting mankind.

On the eve of the American Cancer Society's annual April campaign for funds to find the answer, the Contra Costa branch presents interviews on latest progress among three distinguished local scientists working toward this end at Donner Lab

at the University of California in Berkeley.

They are Dr. John E. Lawrence, director of the lab, and a "pioneer" Orinda resident of nearly 20 years; Dr. Hardin Jones, professor of medical physics, assistant director of the lab, and a Lafayette resident; and Dr. Myron Polycove, Donner hematologist whose home is Walnut Creek.

Here are the advances now being made right here at home by local men—findings that are being used to combat cancer throughout the world. This is one

of the research fronts to which your money goes when you contribute when your neighborhood calls on you in the April Cancer Crusade.

Summed up Orinda's Dr. Lawrence: "Although we have been able to make no break-through in cancer as we have in infectious diseases, I am optimistic today about our understanding and treatment of cancer. A lot of cancer can be cured now, and a lot can be lived with. We have made progress and I think it is going to go faster now with in-

creasing support of science and medical research.

"We don't know where the answer to cancer will come from. It could be from a doctor, a physicist, a plant man—from anywhere, and this is what makes it such a quest", opined the tall, graying, blue-eyed lab director and father of three Orinda youngsters.

Cancer investigation can be compared to the making of a mosaic, the fitting together of bits and pieces of hard-won discoveries from far-flung fields, ac-

cording to Dr. Lawrence. Sources yielding nuggets of information now are hormones, viruses, cell division, blood cancers and tumors.

From the general state of cancer research today, Dr. Lawrence moved on to review what actual progress has and is being made in work on animals and human patients:

1. "A virus has been isolated which has been the cause of chicken and rabbit tumors, and later, of mice. There is a chicken virus vaccine which can prevent chicken leukemia.

2. "This year a young doctor from Argentina has been working with me in hormones in cancer. Using radioactive hormones, we now are working to eliminate the 'bad' hormone from the body. If we can do this, patients can have remission (subsidence of the disease) for many years. We are also studying different patients' resistance to cancer; it varies widely. Maybe this 'bad' hormone triggers the violence. Many cancer patients today outlive their doctors.

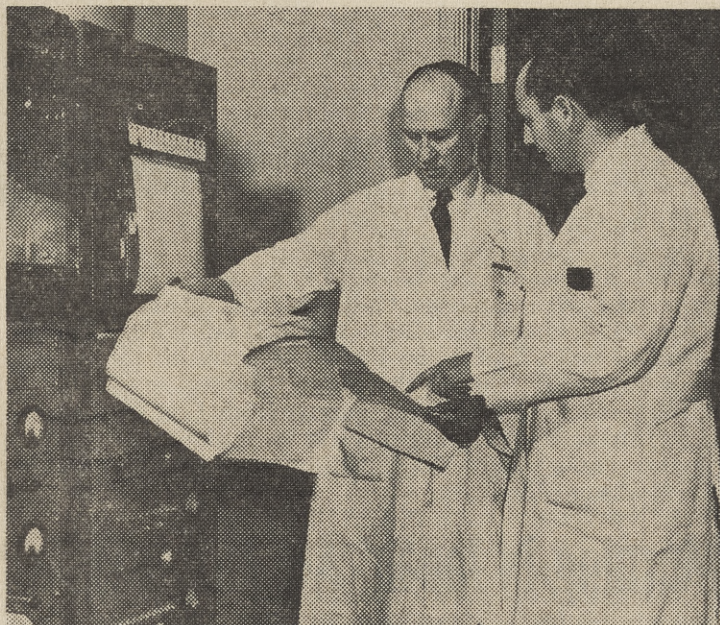

3. "One hopeful area in this lab and others is the transplanting of

tissues, bone marrow transfusions and the grafting of blood vessels. It is now possible to remove all bone marrow and replace it, in certain strains of animals. We are now trying this on people. Maybe we can in children, with radiation. If we can wipe out the anti-body, we can transplant bone marrow (where red blood corpuscles are formed).

4. "There is a new hormone we've had a part in isolating. Called erythropoietic, it controls production of red cells in bone marrow. By injecting this hormone we can double the blood

volume now in a monkey. This can be used on children who need transfusions every three weeks. (Leukemia destroys the red cells.) We have a little girl patient now—this may be a help in leukemia. (Note: How they found this hormone is a fascinating story in itself.)

5. "Progress in treatment made here: We have doubled the life expectancy of sufferers of polycythemia vera—a neoplastic (tumorous) disease of the blood, by treatment with radioactive phosphorus. This is now being used (Continued on Page 3)

DR. JOHN E. LAWRENCE, left of Orinda, Director of Donner Laboratory at UC in Berkeley, and Dr. Myron Polycove of Walnut Creek, hematologist who works in blood diseases such as leukemia, are shown here checking the recordings of movement of radioactive compounds in the body of a patient. Electronic equipment such as this part of the invivo counter machine is valuable in the diagnosis of cancer.

Rash of Burglaries Kept Sheriff Deputies Busy

Nine reported burglaries and a case of grand theft kept sheriff deputies at the Lafayette substation busy during the past seven-day period.

The biggest loss was suffered by the Joe B. Smoot Company of Rheem. The firm lost a large quantity of lumber valued at \$640 last weekend when someone loaded the lumber on a truck without raising any suspicion.

Carl A. Peterson of San Pablo, superintendent for the company, reported the theft to deputies. He said the lumber was insured.

James R. Hammond of 1051 Camino Pablo, Moraga, lost about \$500 worth of mechanics' tools when someone entered his garage last week.

HAMMOND told deputies that the tools were in a metal box in the garage. He said the garage was unlocked.

St. Mary's College reported that \$180 worth of sporting equipment was taken from a room at the college last week prior to the start of a coaching clinic.

Arnold Banta of Walnut Creek, representative of Wilson Sporting Goods, reported the theft to sheriff officials who called the sheriff's office.

All major sporting companies had displays at the school for the coaches to observe.

A school janitor reported that he had noticed three boys loitering near Banta's display room. Deputies are investigating.

Robert D. Hecocks of 7 Oak Drive, Orinda, reported to deputies that a tachometer was taken from his car last week. He said he believed it was taken while his car was parked at Mike Lynn's restaurant, but he was not certain of the time or place as his father had been using the car for a few days.

The tachometer and damage to a car window amounted to \$55. THE VACATION home of Al Otto, 65 South Danville Highway in Danville, was burglarized last

weekend, a gardener reported. He said the home had been entered several times recently with only whiskey taken by the responsible.

Some beer was taken from the refrigerator this time, but nothing else was missing, he said. Entrance was made by breaking a living room window.

Tom Pelletier of 1609 Oak Blvd., Walnut Creek, reported to deputies that almost \$70 in bills and coins was taken from a metal cash box he left under a bed in his home.

He said the money was used for his Oakland restaurant. Nothing else in the house was disturbed, according to Pelletier, although several guns were in the bedroom.

CUSTODIAN Elmer Mayhouse of the Pine Grove School called deputies to investigate a break-in at the school this week.

The responsible broke a glass window on a rear office door and then forced two other doors to gain entrance to the main school office.

An unsuccessful attempt was then made to break into the school safe which is primarily used to store official papers from possible fire.

The Pacific Lumber and Fencing Company in Danville reported a burglary this week that resulted in the loss of \$236 in merchandise and tools and \$13 in cash.

Paul M. Vergon, a part-owner of the company, told deputies that a rear office window was broken to gain entrance.

LEW BLIX, 56 El Gavilan, Orinda, an insurance salesman, reported that a small suitcase containing personal belongings only was taken from his home this week.

He told deputies that the person used a key that he had near the front door to enter the house. He said nothing else was taken or disturbed in the house.

Lafayette-Orinda

Ten Cents

School Bus Stop Amendment Passed!

Gas Prices Drop To 23.9 at Most Major Stations

Gas prices at all major stations in Walnut Creek and Lafayette dropped to 23.9 in the last week as the "war" entered its fifth week.

Many of the stations had held the price line last week at 24.9, but when many of the major stations dipped to 23.9 the hold-outs were forced to follow.

Independents in the two towns are selling regular at 21.9 as they did last week.

In Pleasant Hill, Danville, Alamo and Orinda the asking price for regular is a penny more, or 24.9.

Many of the major stations have dropped their ethyl price to 26.9, but others have kept the price at 27.9 and 28.9.

The "pre-war" asking price for regular gas was 32.9.

There is no sign of relief for hard-pressed station owners yet. The war has spread south of the Bay Area and into Nevada, but motorists aren't complaining.

The war started when Wilshire stations continued to cut major station prices by two cents after being bought out by Gulf Oil.

Haircut May Go Up 10c In County

Contra Costa barbershops are eyeing negotiations in Alameda County, where a 10 cent price increase for haircuts seems imminent.

Contra Costa barbers usually follow the Alamedans.

The Barbers and Beauticians Local 134, Alameda County, recently turned down a proposal to raise the \$2 price by 25 cents, mainly due to East Bay unemployment, according to union representatives.

The 10-cent increase will probably be voted upon April 27. The increase would go for a hospital plan and paid vacations, said union men.

The \$2 rate has been in effect since October, 1956. Barbers' base pay is \$72 a week or 70 per cent commission, whichever is higher.

Redistricting Job Will Not Be Farmed Out

The Contra Costa Board of Supervisors have decided to handle the issue of realigning district boundaries themselves. The board voted to study the question at its meeting last week.

County Administrator J. P. McBrien last week recommended five alternate methods by which the study be made. One of these was that the board make the study themselves.

The other methods included the supervisors appointing a citizens' committee; the board appointing a redistricting commission of county officials; the study be made by the University of California or the State Department of Finance.

REALISTIC experience in their chosen field is available to area high school sophomores and juniors through the Career Exploration Course planned for this summer. Students may obtain applications through their high school counseling offices. Ann Blount of Miramonte is pictured working with Dr. Bernard Hoehner of Boevey's Animal Hospital as she learned firsthand about a veterinarian's many tasks.

Rapid Transit 'Final' Plans Aren't Final!

The "final" plans for routing of the Bay Area Rapid Transit System through Contra Costa County aren't final at all, the County Board of Supervisors learned Tuesday.

Keneth Hoover, district engineer, said that the present plans for the billion and a quarter dollar transit system are not final and that they'll be re-submitted to the supervisors on August 1 after a financial study.

The board will then have six months in which to conduct hearings and approve or reject the transit proposals.

THIS CAME AS a relief, if not an answer, to Walnut Creek and Lafayette residents, and especially to the people of Sun Valley.

All of them have been concerned about the proposed routing of transit system tracks down the abandoned Sacramento Northern right of way, now known as Olympic Boulevard.

The possibility was mentioned at the hearing that the present proposed routing may be changed entirely, passing through Shep-

herd Canyon to a collector station at Pleasant Hill Road and the freeway.

HOWEVER, SAID Hoover, the district is reluctant to do this because the Walnut Creek area is building up into a metropolitan area.

Hoover also took a dim view of renewed requests by the City of Walnut Creek calling for an underground or below grade route rather than an elevated one.

Hoover answered City Manager LaVerne Kimball's statements about this with the comment that it would cost five or six times as much as the other way.

SUPERVISOR Mel Nielsen said a study should be made to determine rapid transit effect upon the community and property values in the Sun Valley area. Mrs. Alice Miller said that the cost of removing the homes in Sun Valley would offset the extra cost of routing the tracks along the freeway.

District officials have said that it would cost \$2 million more to place the route along the freeway.

Your Garage Bulging? Put Bulge in Wallet!

Your closets, garage and store-room are probably bulging with stuff left over from the long winter, and the springtime problem is—how to get rid of it?

The Sun want ad section can help you clear out that mess of stuff, and add a roll of bills to your wallet at the same time.

It happens every day to Sun want ad customers! Look over the old homestead and figure out what needs subtracting!

Every week, Sun Shopping News and regular newspaper readers are scanning the columns eagerly looking for the very things you no longer can use.

The news of your available items will go to 40,000 homes in the Sun Shopping News and to thousands more in the Walnut Creek Sun, Orinda Sun, Lafayette Sun and Pleasant Hill Sun. A 14-word ad with the "5-in-1" treatment costs only \$1.60.

Place your want ad by phone today!

Call YE 4-5000, AT 4-4444 or CL 4-4343.

April Gambols Into Spring

After last week's torrents, the ensuing sunshine promptly baked the local adobe to brick consistency.

Not one drop of rain came, but ahh, the sun.

Here are the local temperatures for the week.

Superintendent To Investigate League Athletic Policies

Neil Parsons, Acalanes High School District Superintendent of Schools, told The Sun Wednesday that he is gathering information on the athletic situation within the Foothill League.

Two weeks ago The Sun carried an open letter asking Parsons and the district's board of trustees to look into the athletic situation.

THE BOARD, which is made up of the principals of the league, cut out all freshmen teams except football in its first ruling. The board then changed its mind and reinstated freshman basketball at a later meeting.

The board also decided to increase the number of games on the junior varsity baseball schedule to 12. The principals' original feeling was to cut the number of games to six, but then increased it to 10 on the advice of the athletic directors. A few weeks later they increased the schedule by two more games.

With this uncertainty on the part of the principals evident, The Sun suggested that Parsons, the principals and the athletic directors get together and work the matter out to everyone's satisfaction.

THIS WEEK, Parsons admitted that he had given the suggestion some thought and said he was gathering information on the situation. He said he would like to get the facts before he came to a decision of any kind.

He told The Sun he had contacted Chairman Jones and plans to talk to principals to get their viewpoints on the athletic situation.

He pointed out that the Foothill League, being only in its second year of operation was "feeling its way" at the present time.

The board of governors is trying to set up standards that will govern the league for the coming years, Parsons said, and this means it is a time for adjustment.

The superintendent said he thought the schedule for next year as it stands now provides a lot of activities.

Adequate Transportation Assured School Children

The State Board of Education meeting Wednesday in Sacramento passed an amendment to section 1100, Title 5, California Administrative Code which will permit the establishment of school bus stops where there is less than 400 foot visibility, when such a stop is requested by the

governing board of a school district and approved by the California Highway Patrol.

The amendment was passed as submitted by Ronald Cox, assistant division chief of school administration and as an emergency measure becomes effective immediately.

EFFECT of the amendment on bus transportation in the Aca-

lanes Union High School District, which provides bus transportation for Lafayette and Orinda youngsters was discussed last night after The Sun went to press by members of the Acalanes transportation committee who met at Acalanes High School.

J. Gordon Ainsworth, Orinda Union School District trustee and member of the Acalanes transportation committee, said, "We believe that passage of this amendment will insure adequate transportation for children throughout the districts affected."

Ainsworth added, prior to last night's committee meeting, that he believed the next step would be a review of existing illegal stops by Ross Reagan, assistant superintendent of business, Acalanes Union High School District and district transportation officials.

FOLLOWING such a review, Ainsworth continued, district officials would probably have a conference with California Highway Patrol officers to determine actual school bus stops in the dangerous areas.

Captain Edward Jellich of the Highway Patrol has previously pledged his full cooperation and no problems are anticipated by the committee in this area. Jellich stated, "We are primarily concerned with the safe movement of children to and from school, and will work with the school districts to obtain this end."

THE AMENDMENT will affect 119 bus stops in the Acalanes District, 78 of which were illegal in Orinda.

Assistant Superintendent David Shelver, Walnut Creek School District, said that the district will lose only about 15 bus stops rather than 60 stops which was a likelihood under the law before passage of the amendment.

CALLS HAVE been received by The Sun from residents from distant points within this area. Although the parents do not even know each other, they have named the same youth as the brains behind the gangs and implicated by name some of his "sub-lieutenants."

The parents have not reported the incidents involving their youngsters to the sheriff's office for two reasons. First, they believed the situation could be handled by talking to the parents of the offenders without subjecting youngsters 12-14 years of age to a police record.

Fear of further subjecting their youngsters to harassment was the other reason given for their silence.

ACCORDING to reports, the so-called gang leader is an honor student whose ability has been used anti-socially. He has managed, through glib talk and good appearance, to evade adult censure, at the same time so threatening other members of the gang that they refuse to implicate him even when some have ended up with police probation.

Parents have blamed lack of discipline in the Lafayette schools as one factor that has allowed the juvenile situation to snowball. Several of the incidents related by the parents occurred on school property or on school buses.

The Sun encourages further reports from any residents with knowledge of this situation. Their names will be withheld if so requested.

Hurry! Space on Sun Sea Tour Going Like Hotcakes!

There are only 15 vacancies left in the Sun Suburbia Sea Party, leaving for Hawaii aboard the luxurious Matsonia May 10, so if you haven't made your reservation yet, you'd better hurry.

And there's more good news, too! If you don't want to take the standard trip, as offered by The Sun, you can pare expenses to a fantastic \$433 instead of the already bargain price of \$598 per person.

SO YOU SEE, you can arrange the vacation of a lifetime to suit the needs and desires of your own family.

It works the other way, too! Instead of returning with the Sun Suburbia Sea Party on May 27, via the Lurline, you may stay longer if you wish.

And the Sun tour includes everything except your meals while you are in the Islands. If you wish to take extra visits to the other Islands, this can also be arranged, even though you return with the party.

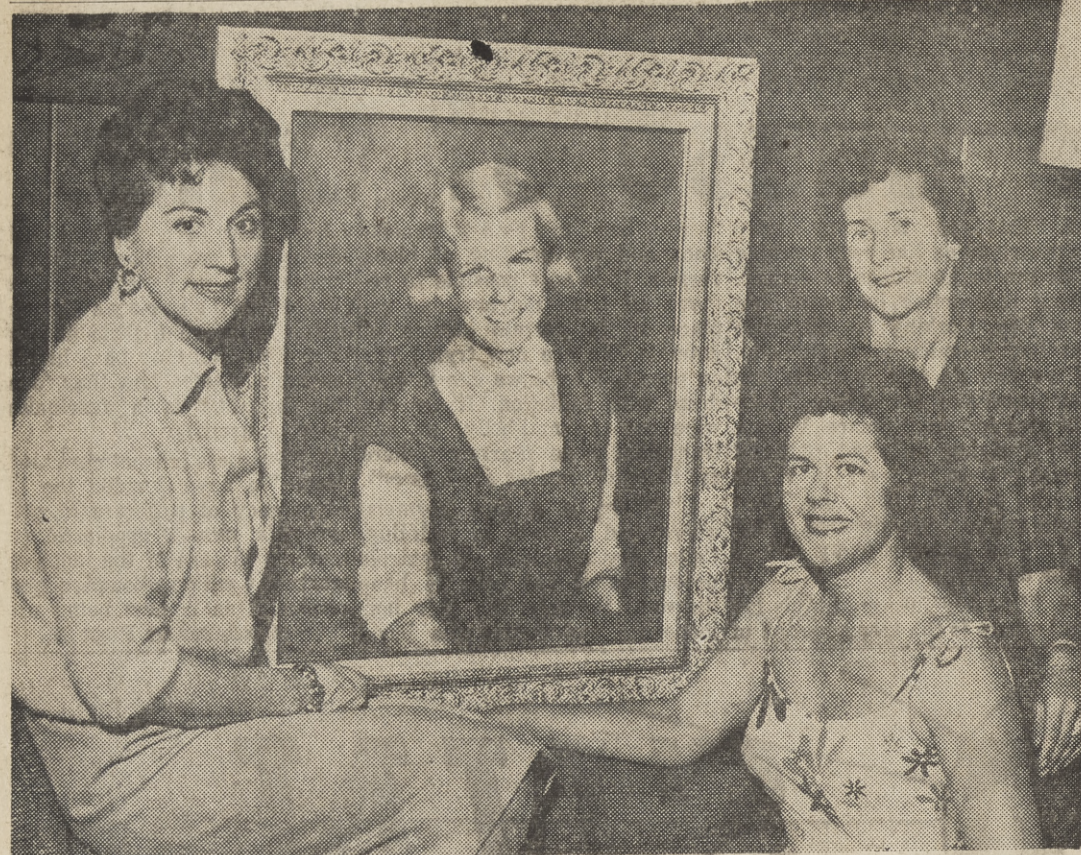

If you want details about this fascinating opportunity, just call your own travel agent or Mrs. Herman Silverman at AT 4-4444 or AT 3-3030. She will represent The Sun on the vacation trip.

IF YOU JOIN the tour, you will receive the fabulous service of Matson Lines on your pleasant journey to and from the Islands. And while you are in Honolulu, you will stay at the luxurious Hawaiian Village on Waikiki Beach.

Included, also, is your choice of a fascinating tour around the island of Oahu, or a catamaran boat tour of Pearl Harbor.

But time is limited. There are only so many spaces available, and already almost two-thirds of them have been reserved. So why not talk it over with your family tonight . . . then fill out the coupon below, or inquire from Mrs. Silverman or your travel agent for reservations for your trip. And we'll be seeing you!

ART, FASHION and Beauty will combine on Wednesday at the bridge luncheon and fashion show at St. Stephen's Episcopal Church beginning at 12:30 p.m. Jean Beitler, left, is one of the artists whose work will be displayed. Pictured with Mrs. Beitler, from left are Mesdames William Seifert, Jr., and Dennis O'Connor. —Sun photo by Erwin Mattson.

Beauty in Nature, Art, Fashion Set Theme

Beauty in nature, art and fashion will be combined to form a "Pattern for Living" at the bridge luncheon and fashion show which will be held by the Episcopal Church Women of St. Stephen's at the Orinda church on Wednesday at 12:30 p.m.

Thousands of spring blossoms in shades of pink will decorate the main hall and arcades leading to the new buildings, where bridge players at tables overlooking the newly landscaped patio will watch the fashion show as they play.

THE WALLS in the main hall, where the non-bridge players will lunch at large tables and see the fashion show, will be hung with oil paintings, the work of Jonathan Batchelor, noted Canyon artist, and of several women from the church group who have achieved professional status.

In addition to Batchelor's canvases, the art show will feature

the work of Frankie Gilmour, Polly Wagener, Jean Beitler, Royce Fowkes, Joan Fowkes Pitkin, Nadya Roegiers and Letty Hibbard.

MODELS, who have been chosen from the ECW by fashion show chairman, Mrs. William Seifert, are the Mesdames Stephen Shutt, Carl Hoeber, John MacFarland, Richmond Stamp, Francis Watson, Jr., Ralph Hill, Jack Rands, Denis O'Connor, William Cook and Reece Clark.

The commentators will be Ethel Baker, of Fashion Flair, Danville, who will be in the main hall, and Mrs. James MacDonald, of the church, who will provide the commentary in the patio.

The luncheon chairman is Mrs. David Wenrich, and other chairmen are Mrs. William Cook, decorations; Mrs. Richard Tharp, hospitality; and Mrs. Russell Gilwee, tickets.

Semi-Departmentalization OK'd for Upper Grades

"The program is here, the time is here, the need is here," so stated Glenn McNicholas, assistant superintendent, Orinda Union School District in prefacing his remarks to the school board regarding reorganization of the seventh and eighth grades on a three core, semi-departmentalized basis.

The plan calls for departmentalization of the seventh and eighth grades at Pine Grove and Indian Valley. One teacher at each school would handle math, another teacher at each school would specialize in science.

THE MATHEMATICS program will follow a program established by a Yale University study and include advance subject material. McNicholas said departmentalization might result in the need for one less teacher at each school. The board approved the recommendation.

Board discussion of the pros and cons of a foreign language program resulted from the issue of departmentalization. McNicholas was directed to prepare a report for a special curriculum meeting to be held sometime in May, date to be set at the regular board meeting May 1.

In other business the board authorized McNicholas to hire 73 teachers for the summer school program, 21 less than last year. Summer school drop-outs in previous years have cost the district money. This year, classes that drop below the specified enrollment will be eliminated.

SUMMER vacations, other interests and sporadic attendance due to family trips have in the past caused some classes to

peter out to a handful of students.

Attendance will be stressed at the time of registration, according to McNicholas, and families urged to consider the dates of summer school when planning vacations.

The board also voted to retain the firm of Matthews and Weeks as district auditors for a three year term at \$600 per year; authorized preparation of working drawings for a four classroom addition at I.V. Intermediate School and authorized three new positions for the 1961-62 school year: A principal for Indian Valley Elementary School, a girl's PE teacher for I.V. Intermediate and a Librarian for I.V. Intermediate.

A maternity leave was granted Mrs. Cynthia Scott, principal at Sleepy Hollow School and Ray Ferro was appointed teacher-in-charge to serve in Mrs. Scott's absence.

Tenure was granted to 14 teachers in the district.

Rezoning Pends For Orinda Area

Pending a field trip to the site, property on the west side of Camino Encinas just south of Moraga Way in Orinda will be considered for rezoning.

The Contra Costa County Planning Commission has taken under advisement the rezoning proposal for the area.

The request to rezone the property from residential-agricultural to multiple family residential was made by Duffel and Smoot.

Sun Will Aid Fire District Purchase Of Equipment

The net proceeds from the present Sun subscription drive in Orinda will be turned over to the Orinda Fire Department for a piece of emergency equipment.

Orinda Fire District commissioners voted unanimously March 30 to accept the help of the community by this method.

Four resuscitators are now owned and used by the department. However, one of these is close to eight years old, still usable, but awkward to handle, particularly by one man attempting to make a quick mercy dash up a flight of stairs.

Fire commissioners heartily agreed that additional emergency equipment is needed by the department, but it has not yet been decided which type will be of most benefit to the community.

Where's The Fire?

With the sound of alarms ringing, the Orinda Fire Department responded to the following alarms this week.

Friday — 9:30 a.m. Northwood Court. Investigation. 10:15 a.m. Camino Sobrante. Lockout.

Tuesday — 9:21 a.m. El Toyonal. Washdown from ruptured gas tank.

Wednesday — 10:30 a.m. Robert Road. Dryer fire. 1:55 p.m. Scenic Drive. Bon fire.

Thursday — 7 p.m. La Espiral. Investigation. 10:15 p.m. Broadway Tunnel. Accidental. box alarm.

Friday — 10:43 p.m. Rio Vista. Investigation.

Radio Station Tower Request Is Approved

An FM radio station tower will be built on Lucille Way in Orinda.

The board of adjustments of the Contra Costa Planning Commission approved the request Wednesday.

Patrick Henry, 42 Camino Lenada, Orinda, plans to construct a transmitting tower 30 feet high on the west side of Lucille Way near Knickerbocker Lane.

Henry said the proposed FM station would have a range of 25 miles. He is owner-manager of FM station KJAZ in Berkeley.

Now, Henry has to obtain federal approval for the station itself, as this recent action was for the tower only.

Kindergarten Registration Is Thursday, Friday

Registration for children entering kindergarten or first grade in the Orinda Union School District for the first time will be held Thursday and Friday from 8:30 to 11:30 a.m. at all schools in the district.

Children who have attended kindergarten in the district need not re-register for first grade.

A child must be at least four years and nine months old on September 1, 1961, to enter kindergarten in 1961. This means that a child must have been born on or before December 2, 1956.

Hats Off To...

Jackie Archer Who Brings Treasures to the Library

A SILVER STAR, please... for Jackie Archer, who super-sleuths in search of treasures to brighten our lives as well as the library's display cases.

AS exhibit chairman for Friends of the Orinda Library, the youthful brunette Orinda matron spends considerable time turning up unique and unusual collections to delight the community... exhibits have ranged from antique dolls, guns, swords and campaign buttons to historic pictures of old Orinda.

THE WIFE of advertising man Spencer Archer (he's one of our biggest baseball boosters, both for the summer league and Pop Warner program), Jackie is the mother of Caroline, a Diablo Valley College freshman, and Tom, who is vice president of the Pine Grove School.

Currently she is deep in plans for the Pine Grove graduation as chairman of its many activities and is counselor for Miramonte members of the Allanthus Junior Branch of Children's Hospital.

Together with Muriel Ray, Jackie, as a member of the sponsoring Orinda Art Center, is responsible for the choosing of the monthly art exhibits at the Orinda Library.

FOR bringing even more beauty and knowledge to our attractive library, a special thanks to Mrs. A!

Net Tourney Successful; ---Local Players Aren't

The Fourth Annual Orinda Junior Tennis Tournament proved to be a great success, but there are some young tennis players in this area who might disagree.

Among local entries, only Lynne Abbes of Orinda managed to make a title bid and she was eliminated by Rosemary Casals, 6-3, 6-2, in the final round of the girls' 13-year-old class.

PLAGUED by rain at the outset, Orinda Country Club tennis pro and tournament chairman Kevin Merrick had to postpone matches on Sunday and Monday, but still managed to finish the final round Thursday on the club courts.

There were almost 500 youngsters competing in the United States Lawn Tennis Association-sanctioned tournament which lasted six days.

Matches were played at the country club and 23 public and private courts. More than 100 players were housed by club members and other Orinda residents.

Lynne Abbes proved to be the most successful of local entries as she also advanced to the quarter-final round in the girls' 15-year-old class before being eliminated.

Gary Rose of Miramonte High School reached the quarter-finals in the 18-year-old class. He teamed with Robin Ray to reach the semi-finals in the doubles. Ironically it was Ray who defeated Rose in the singles.

Mike Saputo also reached the quarter-finals in the 18-year-old class. He upset 7th seeded Don Adolphson before he was eliminated.

LINDA BERGEN dumped 6th seeded Marialice Sluiter and reached the quarter-final round in the girls' 15-year-old class before she was defeated.

Geoff Rieser made the quarter-finals in the 13-year-old group while brother Craig made the round of 16 before he was eliminated.

Michele Abbes reached the semi-finals in the girls' 11-year-

old class before losing. She also won her first match in the higher bracket.

GARY DOON upset 8th seeded Jim Toole in straight sets and reached the quarter-final round in boys' 15-year-old group before being eliminated. He and Bob Martin advanced to the semi-finals in the doubles before they were defeated.

Linda Bergen and Margaret Sisson pulled a big upset in girls' 15-year-old class, eliminating the second seeded team of Rosemary Casals and Lani Murio, but they were defeated in the semi-finals.

Charlotte Daly and Terry Epperson reached the semi-final round in their class before they were defeated.

Kate Ellis and Anita Thompson advanced to the quarter-finals in the girls' 15-year-old class before losing out.

GIRLS' FINALS

Singles

Junior Girls: Andria Miller. d. Jan Conroy, 6-1, 1-6, 6-3.

Girls' 15: Jean Danilovich d. Leslie Abrahams, 6-1, 6-2.

Girls' 13: Rosemary Casals d. Lynne Abbes, 6-3, 6-1 (Orinda).

Girls' 11: Denise Carter d. Jane Miller, 6-1, 6-2.

Girls' 9 Round-Robin: 1st — Carol Burke, 2nd—Leslie Norman, 3rd—Cindy Abbes.

Doubles

Junior Girls: Jan Conroy-An-dria Miller, d. Gloria Segerquist-Noreen Segerquist, 6-1, 8-6.

Girls' 15: Carol Gay-Cecilia Martinez d. Nan Quinn-M. Kufis, 6-0, 6-0.

Girls' 13: Kris Stewart-Robin Pritzker d. Vickie Beale-Margaret Ose, 6-3, 6-2.

BOYS' FINALS

Singles

Junior Boys: Reed Witt d. Jan Kucera, 6-3, 6-2.

Boys' 15: Dean Pendero d. Jeff Brown, 6-3, 1-6, 6-2.

Boys' 13: Steve Turpen d. Dickie Stockton, 6-3, 6-1.

Boys' 11: Erick van Dillen d. Dickie Stockton, 6-3, 8-6.

Doubles

Junior Boys: Reed Witt-Nick

Meet the Family of the Week...

SAILING THEIR El Toro is only one of the many activities shared by the Gilmore family who numbering six, abound in teamwork and fun whether it's for the family or the community. Winnie and Bill, as widely-known to the area's youth as to their contemporaries, are shown here with daughter Carol, 17, and Mike, 16. Their oldest Patrick and youngest Tom were busy elsewhere. Tall Bill Gilmore, a Scoutmaster of Troop 207 for the second year, will be on hand tomorrow at the Scout-crama at Acalanes where his scouts will feature the Water Safety program. A dancing teacher for 13 years, Winnie's pupils run the gamut from tiny TuTu toddlers to adults. Currently she's directing Miramonte girls in a CanCan number for the Sr. play. The family were recent hosts to decathlon champ Rafer Johnson who addressed some 13 local assemblies.

Junior College District Board Hopefuls Speak

A candidates night for candidates for the Junior College District Board will be held Thursday at the home of Mr. and Mrs. Murdock Bowman, 29 El Toyonal at 8 p.m.

Sponsored by Mrs. Bowman and Mrs. Floyd Svenson, candidates O. J. Wohlgenuth and Peter Stark will discuss their platforms. The public is invited to attend. Refreshments will be served.

Anyone desiring further information may call Mrs. Svenson at CL 4-0192.

NEARLY EVERYONE READS THE SUN!

Hoogs d. Bill Eavis-Conde Hamlin, 6-1, 8-6.

Boys' 15: Dean Pendero-Jeff Brown d. Bruce Gordon-Ross Conroy, 6-3, 6-4.

Boys' 13: Rob Miller-Steve Turpen d. Scott Laurie-Steve Cornell, 6-1, 7-5.

'Morning in Japan' Art Enthusiasts

More than 100 sponsors and guests of the Orinda Art Center travelled through an April "Morning in Japan" among the colorful garden terraces of the Thomas M. Harter "Seven Oaks Circle" in Orinda Wednesday. Brilliant flying paper fish marked the walkways and tiny brush-painted scrolls were clever name-tag identification.

THE CLASS in "Authentic On the lower terrace, Mrs. Donald Wimberly of the Berkeley Garden Club talked on "Bonsai Culture as a Hobby" and showed Japanese Cooking" was the fascinating demonstration given by Mrs. William Takahashi of Berkeley while the exotic, jewel-colored table settings were expertly done by Mrs. William Sibbett, Orinda Decorator.

several lovely dwarfed tree specimens of her work.

Throughout the morning, women toured the blossoming gardens, enjoyed tea and visited the carefully appointed, authentic Japanese Tea House. Two paintings by Artist Linda Chang, an honored guest, added further interest to the Tea House decor.

GENERAL co-chairmen responsible for this unique Sponsors' event were Mrs. Robert Davis and Mrs. Ralph Hickey, members of the Art Board.

During the morning it was announced that a Basic Design art class to be taught by artist Gloria Brown of Orinda, will begin April 26, and all interested are asked to contact Mrs. Phillip Champion, Board Chairman, at CL 4-3293 or Mrs. Shepard Jones, Membership Chairman at CL 4-4652.

CHILDREN IN CAR

Never let small children stand up on the front seat of your moving car, advises the National Automobile Club. A sudden stop can hurl them against the dashboard and cause serious injury.

Local Men Battle To Find Cancer Cause

(Continued from Page 1)

of radioactivity in the whole body throughout the world. (Donner Lab, incidentally, pioneered the treatment of goiter with the radioactive iodine cocktail which is now a standard cure throughout the world.)

The Orinda scientist paused here, looking pensive, almost wistful. "If we can find a radioactive element which would localize in cancers, we could wipe them out. We have wiped out a few, in certain cases of thyroid cancer." Some cancers are mild, Dr. Lawrence explained, and some therefore can be lived with. He cited here the 93 thyroid cancer patients Donner Lab studied and treated with Iodine 131 for up to six years, beginning in 1941. Today, 20 years later, 90 of the 93 are still alive and one of the three deaths was from other causes.

6. "There are new sources and quality of radiation, such as accelerators and atomic reactors, by-products of my brother's Nobel prize for his work with the atom." (The late Dr. Ernest O. Lawrence who built the university's 184-inch cyclotron.) "These new 'armaments' for cancer therapy include cobalt, cyclotrons, bevatrons and others. We can now give a patient up to 70 million volts of gamma rays and we have the ability to give more radiation to the tumor without so much to the skin.

In other words, thousands of millions of electron volts can be confined to the dimension of a hair and will stay in focus—this is called the "radiation knife." This is important in the treatment of pituitary cancer where surgery is difficult, but the proton beam can go in right to the gland."

"Finally, one of the most hopeful aspects now and in the future," Dr. Lawrence said, "is the tremendous amount of interest in research among young people."

"We have 15 young physicians from all over the world here now, spending one to five years studying, including cancer. This is possible because of fellowship funds provided by the American Cancer Society and other sources."

"Certain equipment now used at important research centers around the world also was invented and/or developed at Donner Lab. The 'scanner,' the 'body-counter,' and the 'monster' originated here.

"The 'scanner' gives a picture

and is used to locate thyroid lesions. The 'body-counter' counts radioactivity in the human body. It is very useful in accidents, for it can trace and measure abnormal amounts of radioactivity in the body in 20 minutes. It has been used on 50 persons.

"The 'monster' or whole body invivo counter is extremely valuable in the diagnosis of cancer, as it can trace the movement in the body of radioactive compounds."

Donner Lab, once a part of the university's "rad lab," was established separately as a laboratory in 1941. Patients from throughout the county have been or are being treated in connection with research there—the facility includes a hospital.

Since its beginning, Contra Costa has "run the shop." Besides the Orinda, Lafayette and Walnut Creek men interviewed herein, prominent on the staff is Dr. Cornelius Tobias, 130 Summit Road in Walnut Creek, professor of medical physics, who was away at the time.

Donner Lab is a nervous-making place for the lay reporter, who took the precaution of having Dr. Lawrence review this material for accuracy, being somewhat unsettled herself after suddenly stopping from disposing of a cigarette in what looked like an ordinary galvanized garbage can. The label on the can read, "Radioactive Waste Only."

It didn't help any to retire in confusion to the ladies' room, either, where washing her hands, the jar on the basin read, "Decon Soap."

Dr. Lawrence lives at 220 Glorietta Road in Orinda with his wife and four children: Mark, 18, a Miramonte High senior; Shelley, 15, an Anna Head School freshman; and Jimmy, 8, a student at Glorietta Elementary, and Steven Ernest, who is just one month old.

Dr. Jones lives at 3381 Springhill Road in Lafayette with his wife and four children: Carolyn, a freshman at U.C.; Hardy and Nancy, both freshmen at Acalanes High; and Mark, 9, at Springhill School.

Dr. Polycove lives at 32 Los Banos Court in Walnut Creek with his wife and four children: daughters Candy, 13, and Ricki, 9; and sons Kim, 12, and Dean, 10; all students at Walnut Creek schools.

County Welfare May Soon Support One Person in Eight—New Laws

The number of welfare recipients in Contra Costa County will double, and the annual costs will increase from \$500,000 to \$3 million, as a result of new welfare legislation which is expected to be approved by the state legislature this session.

This is the estimate of the Contra Costa County Taxpayers Association, in a recent newsletter. The estimates are not based on all bills submitted, but only on the assumption that a certain number of them will be passed.

THE NEWSLETTER, signed by Association President L. E. Carbert, said, "The 1961 session of the California legislature has under consideration about 100 measures dealing with public welfare."

"Many of these are duplicate bills. Most of them can be grouped under a few major subjects of interest."

"Practically all of the measures seek to liberalize present social welfare grants and procedures, and some would involve considerable cost increases."

"It is impossible to accurately estimate the cost which would be involved if all, or even a substantial portion of the present bills under consideration were enacted into law," said the letter.

THE NEWSLETTER continues that if the number of welfare recipients is doubled, this would place one person in every eight in the county on the county welfare plan, supported by the tax dollar.

The newsletter added, "The association directors urge that you write, wire or phone your supervisor and legislative representative urging them to do everything in their power to minimize the indiscriminate liberalization of the present social welfare laws."

The association has endorsed five legislation to allow the creation of tax appeals boards in counties, and stipulating qualifications of such boards.

The association directors have agreed with county supervisors who have initiated legislation to create a county-wide municipal court district.

THE DIRECTORS endorsed su-

pervisor action approving doubling the tax rate of the air pollution control district, only on condition that funds should be paid by the district to the county for present air pollution control administration being carried on in the county.

Committees of the association will sponsor two major symposiums during April.

The association has taken a position opposing the county-wide school tax proposed by the State Department of Education.

Passover Holiday Concludes Tonight

The concluding service of the Passover holiday being observed all this past week will be held at The Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard in Lafayette tonight at 8:30 p.m. with a special Yizkor or Memorial service. Rabbi David Robbins and Cantor Henri Goldberg assisted by the Center Mixed Choir will officiate at the services.

Obituaries

Appleby

Dr. Max Merton Appleby, assistant superintendent of the Acalanes Union High School District, died Sunday at the age of 49.

He was in charge of instructional programs at the district's high schools.

A graduate of the University of California, he took his doctorate at the University of Southern California. He had formerly been employed in secondary curriculum work at the Torrance Unified School District.

In 1955-56 Dr. Appleby served as an administrative assistant at San Rafael High School. The following year he became principal of the school.

He lived with his wife, Ruth, at 1490 Pleasant Hill Road, Lafayette.

He is also survived by a son, Michael; two brothers, Capt. Jack J. and Commander Dan P. Appleby, both of the U.S. Navy, and his parents, Mr. and Mrs. F. J. Appleby of Blythe.

Funeral arrangements were from the McNary Chapel in Berkeley.

Mrs. Westerfield

Orinda resident, Mrs. Gloria Westerfield, of 8 Loma Vista, died April 1 in a Walnut Creek hospital.

Mrs. Westerfield, wife of the late Victor John Westerfield, was a real estate saleswoman in this area.

A native of Ohio, Mrs. Westerfield is survived by a son, Donald E. Westerfield of Hayward; four grandchildren, Donna Jean, Sally, Ann and Richard John.

She was a member of the Orinda Community Church and Berea chapter of Eastern Star of Ohio.

Funeral services were held Wednesday at the Orinda Community Church with Rev. Chauncy Blossom officiating.

Burial was at Mt. View Cemetery in Oakland.

Chain Reaction Delays Traffic

A chain reaction accident involving four cars delayed Lafayette Freeway traffic Tuesday morning for about 15 minutes.

According to the California Highway Patrol, a blow-out occurred on a car driven by Nathaniel Brown Sr., 41, 2841 Adeline Street in Oakland, who was driving in the westbound lane west of the Pleasant Hill interchange.

The driver of another car, Mrs. Elsie M. Hess, 63, 149 Greenwood Drive of Pacheco, braked quickly to avoid hitting Brown's car.

Her car was hit by an auto driven by Mrs. Paul Baxter, 26, 2126 Norris Road of Walnut Creek.

In turn, the Baxter auto was struck by the car driven by C. B. Meeks, 41, 260 Knox Park, Port Chicago.

Scouts Take Bike Hike

Orinda Boy Scout Troop 207 recently took a hike to Miramonte High School. They left Orinda Village at 9:30 a.m. and rode single file to the school, where they played bike polo on the school grounds and flew home-made kites.

Tom Gilmore's kite flew the highest until it blew away. Richard Roos, troop scribe, reports the kite was recaptured. The scouts ate a picnic lunch at the school and returned home at 1 p.m.

Members of Troop 207 will demonstrate water safety at the Scout-O-Rama tomorrow at Acalanes High School.

Less-Qualified Teachers Accepted Because Pay Is Low—CTA Chairman

There is a substantial increase in the number of teachers with "sub-standard" credentials in the county, due to the lag in teachers salaries.

This was the statement last week of Doris Vallon of Walnut Creek, chairman of the Contra Costa Interdistrict Finance Committee, a branch of the local California Teacher Association chapters.

She spoke at a meeting in Walnut Creek, where committee members said they were concerned about the economic status of county teachers.

MRS. VALLON said "Salaries are a major factor in determining a choice of career as well as place of employment."

"Unless the Contra Costa public can increase the salaries of teachers to a professional level, the county will continue to lose talented and dedicated teachers."

Mrs. Vallon continued, "The committee's study of salary schedules and financial data revealed that salaries of Contra Costa teachers are lagging behind teachers with comparable experience in the San Francisco Bay Area."

"This condition appears to have been developing over the past few years and has shown no sign of improving," she continued.

"THE AVERAGE increase in salaries in Contra Costa County

was 1.5 per cent for 1960-61, while in the other Bay Area counties it ran as high as 4-5 per cent.

"In studying salary activities so far reported for 1961-62, it was evident that other areas are continuing to move ahead, leaving Contra Costa County in an even worse position relatively," she said.

Mrs. Vallon added that a survey showed that teachers in Contra Costa County with more experience are being paid less than teachers with less experience in other Bay Area counties.

Sixty-seven per cent of Contra Costa high school and elementary teachers have five or more years' teaching experience in contrast to only 56 per cent of teachers in other Bay Area counties, she said.

ALSO, 22 per cent of all Contra Costa teachers have six or more years of college training.

"If these Contra Costa teachers, with their many years of experience, were teaching in neighboring areas, their salaries would range as much as 20 per cent," Mrs. Vallon concluded.

TV's Effect on Children Is PTA Topic Tuesday

Television and its effects on children will be discussed at a meeting of Parkmead Lower School PTA, Tuesday at 8 p.m. in the all-purpose room.

To open the program a short film entitled "Profile KQED" will be shown, with comments by Mrs. Gertha Brown, audio-visual and television consultant for the Contra Costa County Schools.

The movie will cover all aspects of programming for the bay area's educational television station, including classroom teaching, said Mrs. George Gessling, unit vice-president, who is in charge of the evening's program.

An open discussion will follow led by Dr. Lloyd Scott, assistant professor of education and coordinator of the teaching laboratory at the University of California.

Dr. Scott was a principal in the Walnut School District before going to the University.

While working for his Ph.D. degree, he made an extensive study of television with relation to children and schools.

Mrs. Harry Cameron announced that before the general meeting there will be a short board meeting at 7:30 to elect a delegate to the State Convention in May.

During the business meeting, new officers will be elected.

Members attending will also hear a short explanation of the coming district school bond election by a member of the Citizens Committee speakers bureau.

Schatz Gets Cold Weather Training

Marine Pfc David G. Schatz, son of Mr. and Mrs. O. C. Schatz of 1040 Scotts Lane, Walnut Creek, is serving at the Marine Corps Cold Weather training center, Bridgeport.

He was promoted to his present rank March 3.

Conroy Named Bank America Supervisor

Charles L. Conroy, 2961 Walnut Boulevard, Walnut Creek, was promoted to supervisor of Bank of America's statewide customer services centers last week.

Conroy, an assistant vice president, will have charge of the bank's customer payroll, coupon redemption and freight billing services.

A 35-year veteran with the bank, he formerly headed the organization's check personalizing program and before that filled various posts at the head office in San Francisco for many years.

Born in Oakland, Conroy began his career in San Francisco and in 1929 was promoted to officer status. He was appointed an assistant vice president at the head office in 1945.

Stolen Car Is Found in Canal

The person who took the car of Joseph Morrell of 212 Poshard Street, Pleasant Hill, wasn't satisfied with just a joy-ride.

The stolen vehicle was discovered in the canal back of Carlos Cabrera's home at 16 Ellis Court, Pleasant Hill last Thursday.

Morrell reported his car stolen about 11 p.m. Wednesday night. He had parked it in front of 1741 Ross Place, Walnut Creek, while visiting friends.

About 40 minutes later Cabrera saw a vehicle in the canal when he arrived home.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING ON REZONING UNDER THE ZONING ORDINANCE OF THE COUNTY OF CONTRA COSTA FOR A PORTION OF THE SARANAP AREA.

Notice is hereby given that on the 18th day of April, 1961, at the hour of 8:00 p.m. of said day in Room 210, Hall of Records Building, Court and Main Streets, Martinez, California, the Contra Costa County Planning Commission will hold a public hearing on matters pertaining to the rezoning of lands lying within the boundaries of the following maps of Ordinance No. 382: "The Districts Insert Map of the Saranap Area, Contra Costa County, California, Insert Map No. 26". The matter of said hearing pertains to the following described property within the unincorporated territory of the County of Contra Costa, State of California, to-wit: An area beginning on Richard Lane 276 feet west of Boulevard Way and being bounded on the south by a subdivision known as Sun Valley Orchards, on the west by a subdivision known as Walnut Lane Subdivision, on the north by a subdivision known as Sun Valley Estates and on the east by the Floraland Tract and a line being more or less 276 feet parallel to and west of Boulevard Way, including, but not limited to lands of Schofield, Abbott, Smithers, Chipman and Gatto.

You are further notified that the County Planning Commission will consider the request of Walter H. Medak to rezone portions of the above described property from the existing Single Family Residential District-10 (R-10) to Transition Residential Agricultural District (R-A).

You are further notified that this is a further hearing required under the Conservation and Planning Law, and which said hearing may conclude the hearings before the Planning Commission prior to the presentation of a report and recommendation to the Board of Supervisors of the County of Contra Costa. If this hearing concludes the hearings by the Planning Commission, a report of findings, summaries of hearings and recommendation of the Planning Commission will then be presented to the Board of Supervisors.

GEORGE W. HONEGGER,
Secretary, Contra Costa County Planning Commission.
Laf. #301-4/7

MOTIVE POWER used on Santa Fe Railway's fast freight and streamlined passenger trains intrigued these boys of Cub Pack 223 during their recent tour of the Railway's Richmond Facilities. Joe Jimenez of Santa Fe's mechanical department explained features of the mammoth diesel. Pictured from left in foreground are Glen Anderson, Ed Bryan and Harper McKee. Mrs. Dan Greeno, den mother, is shown with the boys.

County Annual Report—Upward And Onward!

The 1960 Annual Report of the Board of Supervisors, describing principal Contra Costa County developments during the past year, has been released by Joseph S. Silva, chairman of the board of supervisors.

"This is the third annual report to be issued by the board of supervisors," Silva said.

"It serves a useful purpose by showing in brief and readable form the large scope and size of county operation."

"OUR 1959 report was cited last year by the National Association of County Officials as being an outstanding publication among the many reports now being issued each year by counties and municipalities."

The 1960 annual report uses 1960 census figures as a basis for a study of the county's rapid growth during the past 20 years and reviews the main county developments during the year.

The report features a dramatic illustration of the annual revenues and expenditures of the county, county special districts, and local special districts.

Relationship of the agencies of local government is shown in a new organization chart.

THE OPERATIONS of the sheriff's department and the office of the county clerk-recorder are described in detail.

The growing extent of county relations with state and federal government are described.

The report concludes with graphic material indicating the certainty of continued county growth.

Copies of the report are available to individuals, schools and other groups upon request at the county administrator's office in Martinez and at the county office buildings in Pittsburg and Richmond.

The report indicates that the county's population has grown from 298,000 in 1950 to 409,000 in 1960, and the property valuation from \$303 million to \$842 million.

Richie Wins Suggestion Contest

Mike Richie of Walnut Creek, bell captain at the new Jack Tar Hotel in San Francisco, has been named winner of the national employee suggestion contest for the chain of 12 hotels.

Richie's winning suggestion was a simple plan for handling traffic in the lobby, to avoid congestion around the front desk.

Richie resides at 1630 Pringle.

Merle Andrus Wins Top Speech Award

"It Pays to Increase Your Word Power" was the award winning speech given by Merle Andrus at a recent meeting of the Diablo Toastmasters Club.

Dick Albert was recipient of the Table Topics Trophy for the most outstanding impromptu talk. Paul Tuft's evaluation of Al Ingalls' speech was voted best of the evening.

Byrd Thysell garnered double dubious honors by earning the "Yakkity Yak" and "Wizard of Ahs" awards.

Verne Odegard conducted the Table Topics session and John Davey, Toastmaster of the evening, assisted club president Hugh Southworth.

Two of the speakers, Bob Ballock and Merle Andrus, brought special guests with them. Bob was accompanied by his father, Al Ballock, and Merle brought his son, Richard.

Drama School Slates New Session

The Drama School conducted by the Dramateurs for youngsters seven through 18 will begin a new session on Saturday.

Classes are held at the Lafayette Town Hall, beginning at 10 a.m. for children seven to 11. Junior High students attend from 11 a.m., with Senior High students scheduled for 12:30 p.m.

Harry Jackson Named to Board

Harry Jackson, a resident of Lafayette and president of Jackson Furniture Co., has been appointed to board membership at California College of Arts and Crafts in Oakland.

Assault Trial Is Scheduled For May 16

Superior Court trial will be held May 16 on felony charges of assault filed against Charles C. E. Eaddy, 37, of Hayward, a mechanic.

Eaddy pleaded innocent before Judge Martin Rothenberg and is free on \$2500 bail.

Eaddy was indicted by the County Grand Jury on charges that he attacked Walnut Creek police officer Vince Young.

Young and another officer went to the Vartan Court area on reports of a traffic violation, and they were talking to Eaddy and a companion when the alleged assault took place, officers said.

Anthropology Institute For Robert Pape

Robert G. Pape, social studies teacher at Las Lomas High School, is one of 43 teachers to receive a grant from the National Science Foundation for a six-week summer institute in anthropology at the University of California, Santa Barbara.

Pape has been on the staff at Las Lomas High School for eight years. He obtained his Ph.D. degree at the University of Chicago and his AB degree from the University of California, Berkeley.

The institute, for junior and senior high school teachers of natural and social science, will include lectures by outstanding anthropologists, visits to local museums, the excavation of an archeological site on the campus, and a field trip to the private collection at the San Diego Zoo.

In addition to the teachers, two directors of Children's Museum will attend the institute.

Kiwanis Tells Art Contest Winners

The winners of the eighth annual Religious Art contest of the Walnut Creek Kiwanis Club were announced last week by Dr. Stan Watson, chairman of the contest.

Judges that selected the winners were Mrs. Peter Howard, chairman; Mrs. Gorton Linsley, Mrs. Adrian Lindsay, members of the Cooperative Art Association; Mrs. Roy Ader, Kiwanis Club member, and Rev. Alfred Seecombe, St. Paul's Episcopal Church.

The winners in each of the four categories selected by the committee were:

Jean Choppin, primary 1st; Tami Hodgkinson, primary 2nd; Julie Ann Kuehn, junior 1st; Lois Stahnke, junior 2nd; Sharon Enright, intermediate 1st; Diane Peterson, intermediate 2nd; Nancy Waldman, senior 1st; and Leslie Galliano, senior 2nd.

The showing was held March 19 in the all-purpose room of the Las Lomas High School.

The spectators were given the opportunity to vote for their choice in each category.

The winners of the spectators' voting were:

Sir Viris Henry, primary; Nancy Hubbard, junior; Kendall Whitney, intermediate; and Douglas Dadds, senior.

Second place winners and winners of the spectators' vote were awarded pen and pencil sets. The first prize for the primary category was a wrist watch.

First prize for the junior category was a flash camera. The intermediate category first prize was a record player and the senior category first prize was a portable radio.

SPEED
Speed can turn "skill" into "kill," warns the National Automobile Club.

Stahnke Awarded Merit Certificate

Leslie S. Stahnke of 2285 Walnut Boulevard, Walnut Creek, general agent for "Aid Association for Lutherans," recently was awarded a gold pin and certificate of merit for completing ten years service with AAL.

Stahnke is a member of the Oakland East Bay Chapter of National Association of Life Underwriters. He has completed the Life Underwriters Training Council and has earned the Fraternal Insurance Counselor designation.

Volunteer Position Open

The Volunteer Bureau of Contra Costa County is interviewing applicants to replace Mrs. Sigrid Salmon, executive director, who recently submitted a letter of resignation to become effective May 31.

As director of the Volunteer Bureau during the past two years, Mrs. Salmon has perpetuated the interests and purposes of the bureau to serve the community and its citizens in all matters relating to their participation in the health, welfare, recreation and cultural services through volunteer work.

In order to continue serving these purposes the Volunteer Bureau board of directors has decided that the following qualifications are necessary for the position of executive director:

B.A. degree from an accredited college or university; two years of community work with administrative, interviewing and community organization experience; ability to work with volunteers and assume complete responsibility for agency administration.

Employment will be on a yearly basis for four hours a day, Monday through Friday.

Anyone interested in applying for this position may contact the Volunteer Bureau of Contra Costa, a United Crusade Agency, located at 2030 North Main Street.

Babcock and Anderson Up In Bank Firm

Two Walnut Creek men, William A. Babcock and John B. Anderson, have been promoted by Wells Fargo Bank American Trust Company in San Francisco.

Babcock was advanced to trust officer at the bank's head office and Anderson to trust officer at the Wells Fargo office.

Babcock joined the bank in 1946 after four years of service with the U.S. Navy.

The father of two sons, as well as a daughter, he has been a Boy Scout leader for several years. He and his wife, Elizabeth, reside at 1740 First Avenue.

Anderson, a graduate of the Pacific Coast Banking School at the University of Washington, became associated with the bank in 1936.

He was assigned to the trust department in 1939 and was promoted to assistant trust officer five years ago.

Garden Clubbers Hear Nurseryman

Navy's Garden Club heard a talk by Donald Dillon on "True Dwarf Citrus—It's Care and Culture," Tuesday.

Dillon is owner of a nursery in San Jose. L. T. Reeves is Garden Club chairman.

Beautiful Weather Adds Happiness to Easter Fun

By YVONNE MAUZEY
DR 6-4083

Sunday was sure a glorious day to celebrate Easter. The sunrise services were beautiful.

Little girls in billows of frothy lace, flower bedecked heads and new shoes and purses. Little boys in suits and white shirts and ties.

Spit and polish, with hair slicked almost beyond recognition. Could this be the little boy next door with the tousled head and grubby hands? It is!

THE AROMA of the feast of Easter Sunday dinner floating on the afternoon breezes. Friends and relatives coming to visit. People and plants alike decked out in their spring splendor.

Speaking of splendor, the Easter egg hunt at Rheem Center was really something, with hundreds of children turning out to hunt for the eggs boiled and colored by the merchants and their wives. We are really grateful for such a cooperative community.

Parents' club mothers who helped in the hunt were Faye Parker, Helen Crosby, Inez Oaks, Myrtle Castro, Marie Wright and Mary Cruz.

A FOIL covered egg won a prize for the finder, other colors just more eggs in your basket. The fabulous prizes and bagged candy were donated by the merchants of Rheem Center.

The Brownies of Troop 34 are practicing for fly-ups and getting ready for the big day when they will become Girl Scouts. Miramonte seniors are rehearsing for the three-act Gay Nineties melodrama, "Dirty Work at the Crossroads," or "Tempted, Tried, and True."

The senior class play will be given April 28 and 29 in the school auditorium. Margaret Jacobsen of the English department is the director. The performance will be followed by a community sing.

Let's have a pancake picnic: A pancake breakfast sponsored by the Lions Club will be held Sunday, May 7, from 8 a.m. until ??

The menu: Pancakes, sausage, coffee, milk juice. **ALL YOU CAN EAT** for a donation of 50 cents for community benefit.

THE LIONS CLUB sponsored the Easter egg hunt, purchased Moraga resuscitator and supports the Blind Center. So let's all help. Bring your family and have Sunday breakfast before or after Sunday school or church or both.

The affair will be held outside Moraga's Safeway store in fair weather. In foul weather—a place will be found inside somebody's store. Just be sure to come no matter what the weather. Tickets can be bought from any Lions Club member.

THE COMMUNITY CLUB's annual dinner dance has been set up for May 27 at the Carroll Club. Be sure to set this date aside NOW! and have a good time with your neighbors then.

If you are new in the area be sure to join the Community Club, as this is the only body representing your community. Dues are \$2 per person per year or \$3 per family. **CALL** Vince Young or Berta Cunningham.

A membership drive will soon be in progress for this year's dues. I am sure you have all seen the copies of the questionnaires in your local papers. A representative will call on you next week leaving a questionnaire.

Your prompt reply in filling out this form will benefit you, your schools and community, so please follow through and fill out and return promptly. This information will be added to the Stanford Survey now in progress.

SHE'S PACKED and ready to go—Donna de Varona of Lafayette is all prepared for her trip to Hialeah, Florida and the Women's National AAU Indoor Swimming Championships. The 14-year-old Acalanes High School student will swim in the 400-yard individual medley and the 100-yard freestyle in the meet which started yesterday. —Sun photo by Mattson.

Donna deVarona In Florida for National Meet

Donna deVarona, the pert and pretty Lafayette miss, left by plane Monday for Tallahassee, Florida, where she will swim in the National Indoor Swimming Meet.

Donna, at 13, who was the youngest member of the United States swim team that went to the Olympics in Rome, is a national defending champion and holds numerous records.

She rates as one of the country's top swimmers and is expected to reach her peak for the next Olympics which will be held in Tokyo, Japan.

In the National Indoors she will swim the 100 freestyle, the 400 individual medley and the 200 individual medley.

In addition she will swim in either the 200-yard butterfly, the 100 backstroke or the 250 free-style.

Real Estate Financing Is Board Topic

"Real Estate Financing" was discussed by Julian Unruh, vice president of the Wells Fargo American Trust Company, Monday during a breakfast meeting of the Contra Costa Real Estate Board.

Unruh is an instructor for the University of California extension program in real estate financing. Program chairman was Ken Aalseth.

The board breakfasts are held each Monday morning at the Walnut Creek Elks Club.

Some members plan to attend the Pan-Pacific Appraisal Conference in San Francisco, April 18-22.

It was also announced that the California Real Estate Association 14th annual educational and sales conference will be held April 19 in the Oakland Municipal Auditorium.

Guthrie Named Vice President

L. C. Guthrie, Jr., of 50 Linda Vista, has been named vice president in charge of the Laketowers project in Oakland.

Laketowers will be located on a two acre site on Lake Merritt and overlooking San Francisco Bay and the Piedmont Hills.

The Sportsmen

Fishing Is Better Now; Sportsmen Meet Tuesday

By LARRY JACKSON

We have been hearing all week long that fishing was dull. Then to cap the climax we heard a report from this "joker" who has the fishfinder boat cruising the river, stating that fishing in the Delta area had a "definite odor." So we got on our horse and covered the waterfront this fine summer Monday and found nothing but happiness. The only definite odor we could find was the "jokers" report.

First call was White's Fishing Resort—went over the score board in the coffee shop and noticed that during the past eight days an average of at least two fish a day in the 10-12 pound bracket were registered. Several more hit the scales in the 5-9 pound area. The only rough spots were that too few sports came out to enjoy the fun. Proprietor Dal Hering at this spot even snagged himself a nice 11½ pounder on Friday of the week. Bob Carley and his son—Orindans—boated out off the wharf and nailed five beauties from 5 to 10½ pounds and Sonny said he had a "ball" but Dad out-fished him. Now what's wrong with that?

Eddie Lockhart brought another 10½ pounder to gaff, Charles McNamer from off the hill, Lafayette way, hauled in two at 8 and 12½ pounds; H. R. Nored also clattered a 12½ pounder and took it on shrimp—what these fish won't eat. Our service station friend, Paul Larner from the Concord area, fished his favorite spot off the buoy and in short order had two with the topper 7¾ pounds. Nobody, but nobody, can call that poor fishing.

THE STRIPERS must be mad as they have been hitting anything thrown their way from shrimp to bullheads and sardines. We talked to several of the wharf addicts and they all were happy—that's what counts.

The fish are there—get out there youse guys and gals with the fishing itch.

Next stop Dowrelios where our Nadine gave out that the fishermen were feeling better the past few days—some took time out for the Easter Sunday, true, but those going out on the party boats got fish—not in large numbers, but fish, in spite of the poor air reports.

The fish in this area are on the smaller side, mostly 5-8 pounders with an occasional 12 pounder filling the sacks. Give or take a few more sunny days and the addicts will be out in full force—that's for sure—and they will find fish. Of course there is the novice who hasn't the patience to wait out the slow biting striper who calls the going slow. You gotta let 'em do it their way—don't try to horse them or lift them out of the water on the first nibble.

AT McAVOY'S Boat Harbor, reports showed that the boating fraternity had better than average luck during the week with a slack Easter Sunday with most of them joining the egg hunt—that's our guess.

Happy Cantner snagged a couple more the past week with the topper going only 9 pounds and yet no complaints from Hap. O. V. Iversen decked an 8 pounder, Glen Carroll, a 10 pounder, Gerald McKnight two at 7-11, Bill Brownless two at 6½-7½, Bill Lowry another two at 5-6, Bert Evers with a 13½ beauty.

The gang along the shoreline at the harbor had a fine week with loads of good sized "cats" and several 8-10 pound carp, with R. E. Elkinton of Port Chicago taking a fine 10 pound striper—this is nice shore fishing.

The sloughs are still producing plenty of "cats" and most of them in the larger sizes. At the Bait and Tackle Stand the Schenley reports had already been sent in, but as near as memory recalls there was a 20 pound striper registered in the name of Elsona. Yes, indeed—the fish are out there.

Jerome Waldie Talks to Council For Retarded

State Assemblyman Jerome Waldie, tenth district, spoke to the members and guests of the Council for the Retarded at a recent meeting.

Waldie is a member of the standing committee on education. This committee has been holding hearings on the education of mentally retarded children, emphasizing the 1 educable and 2 trainable educational programs.

In comparing the two programs, Waldie pointed out that the mandatory 1 classes have 3600 children enrolled in California, while the voluntary 2 classes have 2300 children enrolled, although there is a potential of 9000 students. Many 2 programs are supported by private organizations such as the schools in Danville and Pleasant Hill, but they do not have enough public support.

WALDIE SPOKE of the shortage of teachers for the mentally retarded. There are 2375 teachers for 1 classes and 208 teachers for 2 classes.

Part of this shortage is because state training facilities are almost non-existent for potential teachers of the mentally retarded. San Francisco State College is the main training facility. There is no Ph.D. available in mental retardation. The California Council for Retarded Children is helping Waldie support legislation offering financial aid to potential teachers of the mentally retarded.

THE CLASSROOM shortage is intensified in the mental retardation field because fewer children are allowed in each class. Waldie said that loans by the state to non-impaired communities for additional classrooms is needed.

A bill is pending allowing emotionally disturbed children to attend 1 or 2 classes. Special classes are needed for this type of mental retardation. Special classes are also needed for the neurologically handicapped children.

Adult education is being expanded to train parents of mentally retarded children. Waldie recommended a coordinating council be set up to eliminate duplicate efforts of private organizations.

The problem in the state is lack of money. There is an audience in Sacramento wanting to know public feeling on legislation favoring the education of the mentally retarded. Letters to senators and assemblymen would help, especially in obtaining mandatory 2 classes.

Go to Church Sunday

Methodist

Many are saying that the crucial conflict of our day is the battle for men's mind. This week, Reverend John Dodson, minister of St. Mark's Methodist Church, begins a series of sermons on the conflict between Christianity and communism.

The first sermon will deal with an understanding of the objectives of both communism and Christianity. Topic is: "Who Will Inherit the World."

St. Mark's church school, under the direction of Victor Smith, 59 Ardilla, meets at 9:45 a.m. Classes are provided for all ages and instruction in the Christian faith is given. At 11 a.m. a special church school class is conducted for all those between the ages of 5 and 8. Child care is provided at the 9:45 hour.

Church membership is a precious heritage. It is our way of expressing our personal dedication to the highest that we know. Membership classes for adults will be held each Sunday morning at 9:45 a.m., Miramonte. These seminars are conducted by the pastor and will deal with the basic Christian beliefs. All those interested in church membership are invited to attend.

Suburban

This Sunday at the 11 a.m. worship service of the Suburban Bible Church the Rev. Gray Lambert will speak on the subject, "The Risen Christ Brings Joy."

This sermon will be the first in a series of five sermons dealing with the Post-Resurrection Ministry of Christ and will be taken from the Gospel of St. John.

Also at the 11 o'clock service the extended church school will meet with classes for children through the seventh grade.

At 10 graded Bible classes will be held for all ages through the adult level. The adult class will begin this week a study of the Gospel According to St. John.

Nursery facilities are available at all regular services of the church, which currently meets at the Lafayette Veteran's Building, 3499 Mt. Diablo Blvd., Lafayette.

Monday evening the Sunday school staff will meet at 7:30 at the Veterans Building, and Sunday afternoon Suburban Youth Fellowship will meet at Bob Gillham's home at 4:30 on East View Drive in Lafayette.

Christian Science

Those attending Christian Science services Sunday will hear a challenging call to overcome sin and sickness of every kind through wholly spiritual means.

Highlighting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text: "The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10).

One of the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "God is as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this trial of errors—man who is made in the divine likeness?" (p. 356).

Christian Science churches are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and at the corner of Grant and Park Streets, Concord.

Baptist

A cordial invitation to attend the services of the First Baptist Church of Orinda-Lafayette is extended by the pastor, Bruce H. Parker.

Sunday school begins promptly at 9:45 a.m. with classes for all ages. Ken Bull is superintendent. At the 11 a.m. worship hour the Rev. Norman Black will be the guest speaker. Reverend Warren Conrad, state missionary director, will speak in the evening service which begins at 7:30 p.m. His topic will be "On to Victory."

In addition to the above services there is a youth fellowship for teenagers held Sunday evening at 6:45 p.m.

The church is located one-fourth mile east of the Charles Hill exit from the freeway between Orinda and Lafayette.

Lutheran

"Behind Locked Doors" will be the sermon theme of the Rev. Merle O. Tollefson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, for all three services Sunday.

The early bird service is conducted at 8:15 a.m. in the chapel. The family service and Sunday school hour is held at 9:30 a.m. The third service is held at 11:10 a.m. with a Sunday school section for those from three years old through the third grade. Nursery care is available from 9:30 on through the morning.

The Senior Luther League will meet for a progressive dinner at the A. W. Jensen home, 171 Cerezo Drive, Walnut Creek, at 6 p.m. The youth discussion class meets on Sunday at 8 p.m.

Episcopal

Morning prayer service will be held at 9 and 11 a.m. at St. Stephen's Episcopal Church on Via Las Cruces at Stephen's Way in Orinda, with the Rev. C. Corwin Calavan giving the sermon at both services. Regular early holy communion will be administered by the rector at 7:30 a.m.

David John Sparkuhl will be baptized at 12:30 p.m. He is the son of Charles Sparkuhl and Mrs. Jack Converse. From 7 to 8:30 p.m., members of the Junior Episcopal Young Churchmen will meet at the home of Reverend and Mrs. Mel Brown, 2 Heather Lane.

Covenant

The Sunday school of Hillside Covenant Church invites the people of the community to attend its sessions at 9:45 a.m. each Sunday.

The morning worship service begins at 11 a.m., with Pastor William C. Mays speaking. There is a nursery for babies and beginners and junior church for the small children.

The Trailblazers, a group for fourth, fifth and sixth grade children, will meet at 6 p.m. under the direction of Jack and Evelyn Haley. The junior and senior high groups will meet also at 6 p.m.

The evening service will begin at 7 p.m., with Pastor Mays bringing the evening message.

Episcopal

The Rev. Dr. George Hedley, chaplain of Mills College, will be guest preacher at St. Anselm's Episcopal Church, 682 Michael Lane, at the 9:30 a.m. service Sunday.

Dr. Hedley, a Methodist minister, has also been ordained as an Episcopal priest. He will speak on "Eternal Life Is Now."

Other Sunday services are 8 a.m. holy communion, 9:30 church school and 11 a.m. morning prayer and holy communion.

Methodist

"The Emmaus Road" will be the sermon topic of the Reverend George E. Berry at the Lafayette Community Methodist Church, 955 Moraga Road, Sunday.

Morning worship services are held at 9:30 and 11 a.m. Church school classes for all the family are at 9:30 a.m. Nursery care is provided during both worship services.

The Intermediate Methodist Youth Fellowship (seventh and eighth graders) meet at 7 p.m. in the educational building. The Senior Methodist Youth Fellowship (high school) meets at 7 p.m. at the church. Those interested are cordially invited, or may call the church office, AT 4-4765, for more information.

Congregational

Worship services will be held at 9:30 and 11 o'clock at the Orinda Community Church. The Pilgrim and Sanctuary choirs will present special music under the direction of Donald Hartsell and the Reverend Chauncey Blossom will preach the sermon.

Child care will be provided and church school classes through the eighth grade will be held during both services.

Senior Pilgrim Fellowship will have a regular meeting at the church at 7 p.m.

Presbyterian

The Moraga Valley Presbyterian Church holds its regular service of worship at 11 o'clock Sunday morning in the Old Moraga School. Dr. White will use the book of Job as the background for his sermon entitled "Humbling Judgments."

The church school, nursery through the junior departments, meets during the service of worship in the Old Moraga School.

The Junior High Fellowship meets at 11 a.m. in the home of their sponsors, Mr. and Mrs. James Roberts, 216 Ivy Drive, Orinda.

The High School W.F. meets at 10 o'clock at the Old Moraga School.

Moraga Teachers Ask School Board For Pay Increase

Moraga School District teachers asked for a five to seven per cent salary increase Monday evening.

Mrs. Eleanor G. Latham, spokesman for the teachers' salary committee, presented the recommendations for salary adjustments to the school board.

The salary increase is based on rising Bay Area living costs. Mrs. Latham quoted a 2.8 increase in costs with data obtained from the Bay Area Consumer's Price Index from the Chamber of Commerce of San Francisco and Oakland.

This increase is asked also with the idea of keeping the Moraga district salary schedule abreast with nearby districts and for purposes of professional growth.

DON FALCONER, chairman of the board, questioned the proposed five to seven per cent increase, since the cost of living increased only 2.8 per cent.

Various teachers at the meeting said that it was the board's stated policy to keep the salary schedule of the Moraga School District equal to the schedules of surrounding districts.

A check made by the teachers' salary committee revealed surrounding districts "are asking for salary increases ranging from five to seven per cent, plus certain other benefits."

ACTION ON the salary proposal will pend until a salary committee is appointed at the next board meeting.

The faculty committee also asked the board to review each teacher who has taught for three or more consecutive years within the district, as of this June, to determine the granting of tenure, or permanent teacher status.

The committee further asked that the board voluntarily follow this policy each year subsequent to this review.

THE COUNTY and the School of Administration at the University of California are reviewing the possible need for a full-time district superintendent, according to Rex Collings, board member.

If a superintendent is needed, Collings will ask the University of California Placement Bureau for assistance in hiring.

Pay for the post will be approximately \$10,000. Present tentative specifications include five years teaching experience and some experience as a principal.

A further report will be made at a future board meeting.

Sun want ads appear in 5 papers for 1 bargain price!

CHET CLARK, owner of Rheem Center Hardware and Variety Store is shown working on what will be a sparkling fountain in the garden department of the store. Clark has added a variety department to the store, which also has a complete line of sporting goods.

Grades Will Be Split

Grades will be split in the Moraga School District in 1961-62.

Kindergarten through fourth grades will attend Rheem School; fifth through eighth grades will go to Camino Pablo School.

The division was approved Monday night at the Moraga School Board meeting at Rheem School.

This method is considered to offer the best educational advantages.

According to school officials, advantages include: Equitable class distributions, compatible age groups, the ease of grouping, teachers of the same grade level working together and a common bond between the Rheem and Orchard Dell community areas.

SPECIFICALLY, for the upper grades, there will be better teacher utilization, particularly in special talent fields such as science, mathematics and foreign languages.

The board stated that this split school system is temporary. A fourth and eighth grades are achieving from three to five months above grade level; seventh grade students are achieving approximately one year and one month above the grade level and sixth grade students achieved a year and three months above their grade level.

Trask said, "We feel that the educational program (in the district) is going quite well."

ACCORDING to Trask, the arithmetic program goes slower in the lower grades but finishes strongly in the upper grades.

This is the first year in the Moraga district the SRA test has been given, Trask told the board and audience.

Also given in the third, fifth and seventh grades each year are mental age grade placement tests, the California Test of Mental Maturity. The SRA tests is not correlated or equated with this

test, as the former is an achievement test only.

The Moraga district summer school curriculum program was approved by the board pending state approval, which is expected to be granted this week.

IN ORDER for a class to be offered, at least 20 students must sign up for it, with the exception of remedial classes, Trask told the board.

Remedial course students must have the recommendation of their teachers in order to participate, he said.

Some of the courses tentatively planned are: English, reading, Spanish, French, art, crafts, typing, physical education, arithmetic, reasoning, concepts and computation.

TRASK SAID that the Moraga School District students performed better or close to average over-all on the test.

Given to students in the third through eighth grades, the test indicated the following composite scores.

The fifth grade is achieving equal to grade level; the third, fourth and eighth grades are achieving from three to five months above grade level; seventh grade students are achieving approximately one year and one month above the grade level and sixth grade students achieved a year and three months above their grade level.

Trask said, "We feel that the educational program (in the district) is going quite well."

ACCORDING to Trask, the arithmetic program goes slower in the lower grades but finishes strongly in the upper grades.

This is the first year in the Moraga district the SRA test has been given, Trask told the board and audience.

Also given in the third, fifth and seventh grades each year are mental age grade placement tests, the California Test of Mental Maturity. The SRA tests is not correlated or equated with this

Hardware Store Has New Look, New Manager

Rheem Center Hardware and Variety store has a new look... and a new management.

Now a four department store featuring hardware, sporting goods, garden department and variety shop, the store is once again owned by Chet Clark.

CLARK, who has lived in Orinda 20 years, originally opened Black's market there, with his brother, 15 years ago. He formerly owned Clark's Market in Rheem, which he sold to Safeway. In the marketing business for 20 years, Clark originally opened Rheem Center Hardware, then sold it.

With the store's new added departments, shoppers can find everything from an eggbeater to toys and clothes for junior or even needle and thread.

MARRIED to the former Helen Koch, daughter of Orinda's Fire Marshal Bill Koch, Clark lives on Las Vegas Road, Orinda. The couple have two daughters, Laurie Sue, who attends kindergarten at Sleepy Hollow School, and Kathleen Ann, a sixth grade student at Orinda School.

Clark invites shoppers to drop in, browse through the store and become acquainted with its many added attractions.

Thomas Pletcher Quits Race

Thomas Pletcher, 1103 Larch Avenue, Moraga, candidate for the Moraga School District Board, withdrew from the school board member race, according to a statement prepared by him March 28 and released recently.

Pletcher stated, "Due to very heavy business commitments, I feel that I will not be able to fulfill all the duties I would be called on to undertake as a member of the school board."

"I feel that it is necessary to be able to devote all the time required for an important body such as this and I cannot conscientiously devote this time and do justice to the school board."

"I want to thank all my supporters for this post."

Del Turner Will Be Table Topics Master Monday

Larinda Chapter, Toastmasters International will meet Monday at 7 p.m. at Gimbo's in Rheem.

Toastmaster will be Del Turner of Lafayette. John Almond of Orinda will act as table topics master. Speakers will be Jack Dapper and Duncan Marechal of Lafayette, Ed McDonald of Orinda, Bud Greer of Danville and Bill Pitkin of Walnut Creek.

The nominating committee will present its slate of officer candidates, after which the semi-annual election will be held. This will lead to installation of officers at the following meeting.

Newest members of Larinda Chapter are Hans Beetz and Dale Fink. There are still several vacancies and any man interested in improving his ability to speak in public is urged to phone chapter president, Judson Krueger, at YE 5-2395.

Rheem Bridge Scores Reported

Rheem Center Bridge Club announces the following scores from the Wednesday 7:45 p.m. meeting at the Design Center in Rheem.

North-South, Mr. and Mrs. Don Schulte, 99; Bobbie De Kay and Ginny Maier, 94; Mr. and Mrs. Robert Shipley, 91.

East-West, W. C. Emory and William Marett, 95; Cliff Mason III and Shirley Schubb, 91; Mr. and Mrs. Tony Ivanetich, 90.

A masterpoint game was held Wednesday.

ANTICIPATING the 30th Annual Conference of the State Garden Club to be held May 24 to 27 at the Claremont Hotel in Berkeley are Mrs. Julian Unruh, right, president of the Orinda Garden Club and Mrs. Joseph Conley, hospitality chairman for the convention. Mrs. Conley is also District Director or Bay Bridges District 4A California Garden Clubs Inc., hostesses for the convention.

Miramonte Mirror

Vacationers Return To Classes Reluctantly!

By SUSAN COX & CAROL PEDERSEN

Easter Week many of the teens of Orinda vacationed away from this busy metropolis. The most popular spot was Carmel, where Joanie Eberhart, Roz Starkman, Sue Starkman and Tina Cole, Glenna Clark, Cinda Snell and Mark Lawrence visited and generally had a good time.

The nostalgia of sand between their toes is still in each of their minds as memories never to be forgotten.

At Squaw Valley were seen other members of the Miramonte clan: Natalie Hartanov, Cathy Cline, Lynn Bickerstaff and Jack Putnam, Keith St. Clair (visitor from Robert Louis Stevenson School), Janice Hempstead and Candy Hackler were all trying their luck on the slopes.

NEAR SQUAW, at a place commonly called Reno, Andy and Sherry and Bob and Mary, chaperoned by Mr. and Mrs. deGrassi, enjoyed three outstanding days of skiing at Reno Ski Bowl. These four are easily spotted on the MHS campus by their deep glowing tans.

The scene is Balboa. The main characters are Linda Bargesones, Carol Goldsmith, her sister Ellen and an alumna, Adele Brodinski. The plot: COMPLETE FUN!!! The stage representation of the comedy was a complete success.

Carol Crosby, a new member of the Miramonte senior class, fled to Riverside to visit old friends and Tommy. The success of her visit made up for the miserable 12-hour bus ride down.

Arizona bound: Harry Tutton, the seniors' beloved American Problems teacher, made headway in his hiking career by pushing his buddy's car through a record snowstorm. Also heading for the arid zone were Charlotte Kimball, Ann Blow and family.

CONGRATULATIONS BARB! Barb Syverud, Lions Club finalist, won second place out of 129 Contra Costa teen-agers.

Gari Ann Hughes spent her vacation in a hospital room at the St. Francis Hospital in San Francisco. We hear that the operation was a complete success. We hope you are feeling much better, Gari!

The Sociables

By MARIE MONAHAN

Colored eggs & scrambled children was the order of the day Sunday at Orinda Country Club for the traditional Easter Egg Hunt. UNDER brilliant spring sunshine, families and their young fry gathered on the greens where more than a few pretty new dresses were sure to bear tell-tale signs of grass stains after a gambol in the grass in search of the prize eggs.

THE CHILDREN, who were treated to "The Barnes-Trained Wild Animals" act pre-hunt, re-acted in open-mouthed awe and childish glee.

OFF TO THE HUNT... with "Mother Bunnies" Marian Kruse, De Ette Laher & Liz Thompson on hand to count eggs and award prizes & ice cream bars.

Stella Epperson (who with husband John was to chairman the day's activities) home bedded down with a bug... Ed Kruse & Quentin Thompson heading for duties at the starting line at race time... For the traditional sacks & spoon & egg races, Gordon Martin & John Higgins took care of congratulations to the moppets at the finish line.

Tall Jack Gilbert injecting humor into his role as MC at the mike... "Any golf balls you find I'll be glad to have"... He got quite an assortment, too!

Emerging from the hunt with the Most Eggs plus the coveted Gold Egg in the 1-3 yr. old age group was Shawn Bonnington whose brothers and sisters have been attending the annual Cottontail affair for years... On the sidelines, all of them bunny-trail veterans, were Bonnington young fry Molly, Danny & Becky.

ALL THE EGGS IN ONE BASKET... More gold eggs found by Lilliput Lisa Frost & Kevin McGill... In the 4-1/2 age group, the young man with the Mostest was Gilbert Swanson while Katherine Sproul & Elaine Helte brought in the gilded spheres as did Ronnie Schlenker & John French for the 7-9 group. Anne Weyand receiving her prize for the Most Eggs in the 7-9 group.

Marilee Martin's two young lassies in look-alike frocks... Vinnie Gilbert being aided in her committee chores by young Vinnie & Joan Gilbert... Carol Thompson, Sharon Stone & Pat Laher more of the big girls giving the little ones a helping hand... Sally Thompson & Andy Kruse scooting across the lawn... Clay Wallace among the Little Men in Easter fashions.

TAKING PART in the races, like so many fast-hopping rabbits, were Peter Chapman, Amy Haws, Maggi Jeffrey, Mike Robertson, Peter Christensen, Christie Helte to name a few... The Sack Race for boys 7-8 won by Brian Pearson with Danny Bonnington a close second... The Egg & Spoon for girls 7-8 had Jane Peterson coming over the finish line just a pretty head ahead of Anne Weyand.

The three-legged race for boys 9-10 had as its participants Bryce Stack, Bill Robinson, David Kruse and Cres Gilbert... The Don Dotens on the lawn with grandmother Florence Lax, all congratulating smiling Ann Doten for winning the Spoon & Egg Race for girls 11-12... The Jay Meyers' daughter Denise (she copped second place in the same race), sporting appliqued orange posies on her white Easter dress.

THE CHARLES Reids of Diablo View Road combined a debut with a Christening and called it a BERTHDAY party... Their new prize possession, a sleek new racing sloop, came in for all the attention over the weekend of March 18-19 when some 200 guests tripped aboard at the Richmond Yacht Harbor to see for themselves the glowing attributes accorded the Fibreglass Rawson 30' sailing craft.

All the comforts of home were admired on the boat, dubbed "The Hardy Yare Har," by Zennie & John Roberts, Don & Shirley Jones, the Clint Paintes among the localities having a preview... Dr. Carl Wellington Smith arriving with Fred Theile... Bill & Dana Cook, the Joe DeMeters, the Ed Clarks noting the swank little apartment below deck, luxurious for a sailboat... Herbert Thodes proposing a nautical toast.

THE REID'S daughter Susan poised and pretty in pale blue slim-jims, a navy blue sailing blazer... Young Bill & April sporting match-mate shirts emblazoned "Hardy Yare Har" on the back... At one point, there were no less than 24 people down inside the revolutionary little boat.

IT TAKES MONEY to buy materials for creative projects, to keep campsites in condition... and to help others. Girl Scouts and Brownies help to finance their projects through the sale of Girl Scout cookies. The sale starts today, these girls hope you will buy and buy, some for now, some for the freezer. Pictured from left are girls of Orinda Troop 130, Marcia Dana Van Dyne, Barbara Braly. —Sun photo by Erwin Mattson.

Girl Scout Cookie Sale Under Way

That time again—Girl Scout Cookie Sale starts April 7.

Troops throughout the area are hoping for the best Girl Scout cookie sale yet so that they can either finance a new project or complete an old one.

Troops use the proceeds from the sale of cookies for many community projects; planting at public buildings or highways (this year many hope to plant the new Girl Scout rose developed by Jackson & Perkins Co. in honor of the birthday year).

Possibly some troops have voted to bake birthday cakes and donate presents to the children at Juvenile Hall; or send much needed school supplies to children of foreign countries or give money through CARE for food and medicines. There are many troops and almost as many projects.

Scouts of Troop 130, Orinda, will help beautify the "Corral" at Twin Canyon Day Camp, by making a large mosaic for the fireplace wall. The "Corral" donated by the Lafayette Rotarians is used in the event of inclement weather by campers and over-nighters. (It is also used most of the year for training sessions.)

Initial costs of the mosaic were financed by troop funds from the calendar sale; plywood was donated by William J. Marshall; other materials were gathered by the scouts and their parents—now the girls hope to sell enough cookies to buy the mastic to complete the 15x3-foot mosaic.

Mrs. J. Orr Kyle of Alamo made the original artist sketch depicting the camp setting of twin canyon and guides the troop in interpreting their ideas.

Leaders are Mesdames William J. Marshall, Howard Thompson and Harvey L. Parry. Troop members are: Janet Bowman, Barbara Braly, Marcia Brooks, Marcia Dodge, Linda Grimes, Pam Marshall, Megan Monahan, Ann Parry, Marilyn Titmus, Dana VanDyne and Emily Witt. All are sixth grade Pine Grove students.

The United Crusade partially supports the general expenses of Girl Scouting for operating, but gives scouts permission to raise additional monies for troops and for camp improvement, which includes camp site development, maintenance and equipment.

Roger Howard Is Midyear Cadet

One of the midyear new cadets at the New Mexico Military Institute here is Roger Howard of 51 LaCuesta in Orinda.

Roger is the son of Mr. and Mrs. Volney E. Howard Jr. of Orinda.

Gypsy Dancer Is Compared To Vesuvius

Carmen Amaya, the fiery gypsy dancer whose artistry has been compared with everything from an eruption of Vesuvius to atomic detonations, will lead her flashing company of Spanish flamenco dancers and musicians, in a special engagement of five performances only, at the Geary Theatre, April 20 through 23. One matinee is scheduled on the 22nd.

Carmen Amaya is legend, inspiration, a goddess and a miracle even to the gypsies of Andalusia, whose blood and heritage she shares. She is acclaimed all over the world as queen of all flamenco dancers, exalted by poets, painted by famous artists and praised without stint by the most dedicated connoisseurs of this style of uninhibited dancing from Spain.

SHE MADE her Broadway debut in Ed Wynn's musical, "Laugh, Clown, Laugh" and literally rocked New York with her tempestuous display of pent-up power. Forever the artful, arrogant, wheedling child of nature, Carmen Amaya remains always a woman at her most elemental. Her castanets whisper, chatter and drum thunderously at her command, her heels stab the floor in a crisp staccato that will prick your skin.

Tickets for all performances available now at Sherman-Clay box office.

Joiner & their Mark, the Hal Webbers.

Paying a visit to Mickey Mouse's mecca, too, were Bill & Edith Seaten w/son Rex w/a stopover stay in Carmel... Becky Svenson piled her Little People into the family bus & spent a day in the sun & sand at Carmel & Santa Cruz... The Dick Dildines Lived It Up in Las Vegas w/all the Shows & Stars!

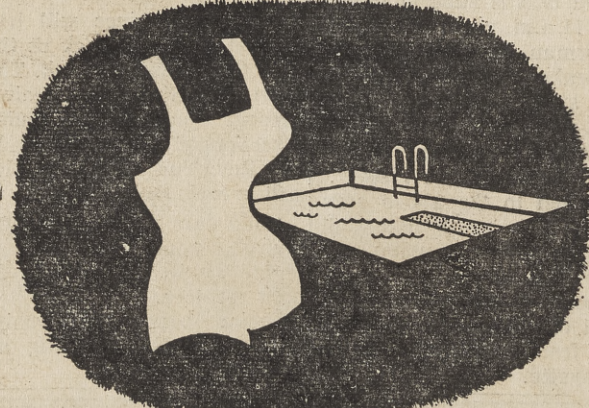

IN CELEBRATION of their Big Wedding Anniversary, Melba & Bill Bray jetted off to the Islands over Easter wknd... The Bud Kochers were cruising the Caribbean & Phyllis & Bud Simon & their chicks were shooting color shots of Santa Fe & the Grand Canyon.

A CHAT w/Lid Miles who Chrms. Miramonte's Mammoth party tomorrow, the Saturday Night Jamboree... She urges all still to buy tickets, to get their in now so that enough refreshments are on hand. Call Lid at CL 4-3578, Helen Stark CL 4-2025 or Lucille Anthonisen, CL 4-3723 for your reservations now (tkts. \$1.25 per person.) For this Get-Acquainted party, print your name boldly on the name tag!

There'll be Square Dancing (for all the square?) outside & dancing inside to Joe Palotta's orch. featuring tunes of the memorable Thirties.

The entertainment is geared to this same era when you & I were young, Maggie, & the decor will bring a flow of memories. Marcia Henning has artfully drawn over 25 caricatures (Fred Waring, Glenn Miller, Ted Lewis, etc.) & Blossom Schmidt, Dr. McCord, Gloria Brown, Helen Unruh, all assisting Nancy Hanley, have contributed artistically, too.

IF YOU'RE LOOKING for the Bay Bridge Sat. night, you'll find it... behind the refreshment booth. Gosh, I can remember riding a ferry under it on opening day & feeling like it might fall right down on us. Wonder of wonders, it was!

Lunch Is on The Table...

Youngsters attending school in the Orinda Union School District will be served the following bill of fare next week.

Monday — Hamburger on buttered bun, sliced tomatoes, buttered corn, one half pear.

Tuesday — Chili beans, green salad, Vienna bread, fruit cobbler.

Wednesday — Hot beef sandwich, boiled potatoes, buttered spinach, jello with bananas.

Thursday — Spaghetti with meat, green salad, French bread, peaches.

Friday — Egg salad sandwich, green beans, orange & grapefruit sections.

Milk is served with each meal.

CPA Granted To J. L. McComb

James L. McComb, 3262 Hamlin Drive, has been granted a certificate as a certified public accountant.

The California State Board of Accountancy recently granted 154 Californians certificates.

Candidates qualify for the certificate by successfully passing a two and one-half day examination in theory of accounting, accounting practice, auditing and commercial law as it affects accounting.

The examination is prepared by the American Institute of Certified Public Accountants, the national organization of certified public accountants, and is uniform in all states.

J. E. Skillman Hears About Missiles

John E. Skillman, 868 Solana Drive, Lafayette, recently completed a two-week tour as a lieutenant colonel in the Air Force reserve.

His tour of duty was served with the Directorate of Procurement and Production at San Bernardino Air Materiel Area.

During the two weeks he spent on duty, he obtained information on the ballistic missile program.

As assistant division manager of the Irving Subway Grating Company's Western Division at Oakland, Skillman is responsible for production, purchasing and engineering operations pertaining to the fabrication of structural steel and aluminum flooring.

Eggshells At The Bottom Of My Garden!

"THERE ARE Eggshells at the bottom of my garden"... & the green paper grass will be kicking around indoors for months to come.

SUNDAY DRIVE... The Country Club Set gathered on the greens at two for their Egg Hunt, genial John Gilbert's voice mellifluous over the mike... In Lucky's Parking Lot, having a fine spin for himself, young Steve Smith steering his Go-Car w/nothing but wide open spaces... Up Overhill Drive along Scenic & past the Norwood Allen's where a game of lawn croquet was the Easter action... Silhouetted against the sky on a flat grassy knoll, a lone golfer practicing his putts.

THE LITTLE World of Woodland Terrace & its' impeccable oriental-styled houses w/their perfect-planned plantings, Shibui, Shibui! The Storybook Look of the subdivision homes w/their well-fed new lawns & their well-fed new children, their shutters, bird-houses & crisp ruffled muslin tiebacks.

A hunting dog cooling off w/a swim at the County Club Lake... The Bill Marshalls all dressed up & someplace to go, heading for Enrico's & their sidewalk-table reservations!

ICE CREAM CONE weather & Loard's doing a Coney Island business... the town's streets occupied by Sunday Drivers from out-of-town & traffic streaming into sightsee Suburbia. (Remember when YOU were a city dweller & this was YOUR destination on a Sunday drive?)

At one end of the main block, four Easter-garbed Negro children & their father nursing melting cones & at the other end by Orinda Pharm, a Chinese family getting in their cool licks.

LINDA VAN SICKLE heading homeward on Camino Sobrante, SHE a walking advertisement for sunny Orinda w/her tanned cheeks & rosey flush of youth.

Young Jimmie Fields, son of Peggy & Bob Fields, found his Easter Basket & B'day presents UNDER his bed... which made having chicken pox on an Easter Sunday B'day not so very bad after all...

SOME HARDBOILED Yegg made off w/Jimmie Campbell's 26" Hopper bike while he was in the Orinda drugstore buying basket eggs for his young sister. Twelve-yr. old Jimmie trusts it will still turn up & he belongs to Grace & James Campbell in Sleepy Hollow. Who hopes it will, too!

NOBODY HERE but us chickens... It seems Everybody took off for Easter vacations... Among the families doing Walt's Disneyland were the Harry Clemonsens, Ernie Mosers, Betty & R. C.

If You Haven't Given it Any Thought, Start Now!

If you haven't given it any thought, you'd better start in.

That is, you had better give some thought as to whom you are going to vote for trustee of your school district.

Elections are coming up April 18, and we would like to suggest that each of our school districts, with the exception of the Mt. Diablo Unified School District, is going to be facing a serious decision in the near future.

That decision, of course, is whether or not to unify, and if so, how.

IF YOU HAVE a chance to talk to the candidates of your school district, either the incumbents, or those who are seeking trustee posts, you might talk to them about their feelings on this matter.

Trustees from each of our districts are scheduled to meet May 3 when they will discuss the recommendations for unification as found by the Stanford Research Group.

This is a good time for all of us . . . and especially our school board members, to give this whole problem a little serious thought. It is impossible for any trustee not to go into this meeting with preconceived ideas. There has been too much argument and discussion, too many opinions formed.

But preconceived ideas are not going to help our area achieve what is best for our children.

FRANKLY, WE have not yet decided what kind of unification, if any, is best

for our area. We have fluctuated back and forth as facts accumulated . . . and as opinions were aired.

Our schools cost us money. It is to be hoped that unification of some or all of the districts within the Acalanes Union High School District boundaries could effect an economy. That is, bluntly, could reduce our tax rate.

But this is not the most important problem. The most important aspect, obviously, is what is best for our youngsters.

Certainly our neighbor, Mt. Diablo Unified School District, has proven that unification can be both economical and effective. We could learn from them.

At any rate, it is going to take understanding and wisdom on the part of our representatives—the trustees of the various school districts. And it is going to take similar understanding on our part.

TO BE SELFISHLY partisan in our views is likely to hurt our children.

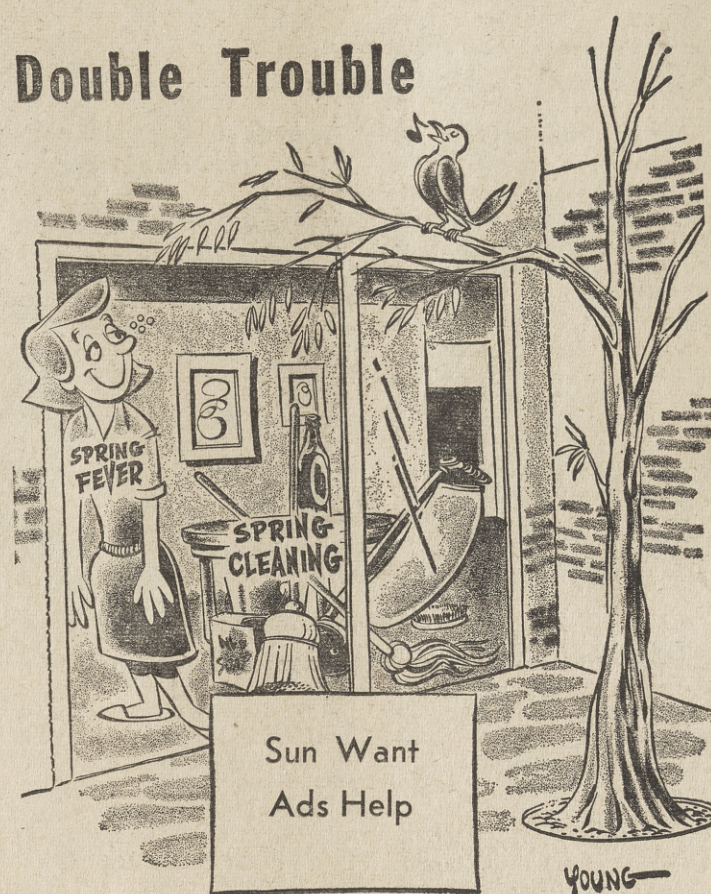

This is the time to consider the problems of the area as a whole and to look to the future.

It is the time to agree that we will look forward to the unification meeting with open minds and a resolve to go into the problem with a positive attitude to help, not a selfish attitude to destroy.

The day will still be rocky, but if we all agree to this, there is hope that understanding can be reached.

We certainly have to try.

Double Trouble

We Like It Here . . .

Rueful Reflections From A Place On The Floor . . .

By MARIE MONAHAN
THIS IS BATHING SUIT weather. Time for swim suits, shorts, bikinis or what have you?

The truth of it is we don't have ANYTHING. That fits!

We are not in good shape. For things to come. And what is coming, naturally, is the season of the Swim Pool.

This is the time when ladies come out of their bridge-club hibernations & take a good long look at themselves in the mirror. The full-length one.

Oh, Dear! No more desserts. Positively!

Skip the sugar & bypass the bread & potatoes! Goodbye, Salad dressing!

THE ROAD TO reducing parlors is paved with good intentions. Just words, words, words!

(Have you ever noticed it's the plumpiest ladies who always order fudge sundaes or whipped cream tarts?)

With one eye on the figure & one eye on the pool opening date, we have been busy with our daily dozen. A rigorous program set up by our young daughter.

THE SLENDERIZING SALONS would do well to hire this young lady of ours. She could get Grandma Moses to turn cartwheels. She can talk you right out of a piece of chocolate cake. So she can eat it herself!

She reminds me of an army drill sergeant. A tough one! The kind who would walk right over you if you fell on your face from sheer prostration.

SHE HAS BEEN giving me my nip-ups. Nip-ups & hips down! ONE-TWO-Three . . . S-T-R-E-T-C-H—!

I beg her to remember I'm not a piece of elastic. But she hears me not!

ALL OF A SUDDEN, she has taken on a new role. SHE gives the orders. I TRY to take them. One-two-three-stretch, one-two-three-stretch! (OUCH!)

"GET YOUR CHIN UNDER YOUR KNEE, Mom . . . Down, Down, D-O-W-N!"

Can't the child see that I have trouble . . . even in reverse?

I can't even get my KNEE under my CHIN!

"Where did you learn all this?" (I should just faint dead away instead. For my own good!)

"At Dancing School. Now straighten your back, lower your left leg, bend your head to the floor. This is good for loosening muscles . . ."

Dear Daughter, I am not interested in loosening muscles. I am trying to TIGHTEN them! Hmmm . . . Here I think my lass is learning how to point her pretty pink toe slippers & instead she is secretly training to be a drill sergeant.

"Yes, every week we do these exercises & Mrs. G. says that the fat will just faaaal away."

Mrs. G. is my daughter's teacher & I would like to tell her something.

I WOULD LIKE to tell her that the fat doesn't just fall away. It takes an awful lot of help from ME to do THAT!

It wears me out so completely, this one-two-three-stretch bit, that by the time the pool opens, I will be flat on my back.

NOT AT THE poolside. Not sporting a smart new sleek suit. No, I can feel it in my bones. I will be laid up with a dislocated hip. Or, heaven forbid, a broken back.

AND anyone knows that when you're laid up in bed, people send you boxes of chocolate & bring you icecream . . . & then where are you?

Kite Flying Is Fun, and It Can Be Safe Fun, Too . . .

Those nice spring days are here again, and those gentle spring breezes come right along with them.

That brings out the old kite-flying instinct in youngsters, and often in the parents too!

Kite flying is fun, but it is not without its attendant dangers. Safety with kites is, easily achieved, if you will just follow

a few simple rules.

NEVER FLY a kite with metal in the frame or tails.

Never use tinsel-string, wire or any twine with metal in it.

Never fly a kite in the rain. Never pull on the string or climb a pole to loosen a snagged kite. Never fly a kite over a TV or radio aerial.

Letters to The Editor

MAGPIES

Dear Editor:

With the help of Assemblyman Walter Dahl, the Humane Society has been able to get SB 36 amended so that yellow-billed magpies will not be on the unprotected list throughout the state.

We will have to try to do the same for the starlings, black-billed magpies, English sparrows, California jays and crested jays, etc., who have been on the unprotected list for some time.

Write your state legislators you want Section 3800 of the Fish and Game Code amended to read at "county option" so that these birds are not killed throughout the state, but only if they are doing damage to the crops at a particular time in a particular section of the state.

Now if we are able to protect our birds we most certainly should try to protect the animals in our laboratories—who are given human diseases and made to suffer (often without anesthetizing) for us humans.

The least we can do is ask our legislators to support a full-scale congressional investigation into the expenditure of increasing amounts of taxpayers' money that is being poured into research and the widespread cruelty to animals in laboratories.

As Dr. Gasell, department of physiology at University of Michigan, has stated, unhumanitarian actions of vivisection "may well prove the blackest spot in the history of medical science."

Is it accepted by both government and medical profession that no regulation is necessary in view of the fact that animals cannot cry out in their misery and cannot exert pressures on their controllers?

GLAD SARGENT

CARE

Dear Editor:

CARE wishes to express its sincere appreciation for the wonderful "Under the Sun" column of February 10.

It is only through the excellent cooperation of newspapers that it is possible for us to tell the CARE story to a large segment of the public. We are deeply grateful for your continued support.

In the column you list the address of our New York headquarters. As you will see on the enclosed folder, CARE has 15 offices servicing the United States. The office for this area, which encompasses Northern California, Nevada and Utah, is at 444 Market Street, San Francisco.

If any of your readers would like literature on CARE programs, speakers for groups, or 16mm sound films (all without charge) they may write us at the regular CARE office or phone Sutter 1-1585.

BEVERLY WITCHNER

SCOUTING

Dear Editor:

I wish to offer a suggestion. We feel that Scouting is important to the youth and the parents in this area, and therefore should receive better publicity in your newspaper.

Cub Scout Pack 207 has not received its share of newspaper space whenever it has appeared at all. In the interest of fair play, would it not be well to have a special page for all Scouting activities, either weekly or monthly.

Cub packs meet monthly with parents and children in attendance. The meeting on March 7 was attended by over 100 people. I have mentioned 21 of these people by name in the enclosed news item that I hope you will publish.

I call attention to page 15 of your own booklet titled, "So, You've Been Elected Publicity Chairman!"

MARY W. STANLEY
(Ed. note: We agree that Scouting is important, and have devoted many, many inches to news concerning it. If we receive the publicity, we'll use it!)

CAKE SALE

DEAR EDITOR:

Grateful thanks to the Lafayette Sun for their splendid cooperation in publishing information about our recent Acalanes Parents Club Mythical Cake Sale. It was held between March 20 and 30 and was a great success. Those who were away during Easter vacation when our telephone committee was at work, may still send in their contribution to the scholarship fund to Mythical Cake Sale, in care of Acalanes High School. Thanks, to all you wonderful parents who so generously gave to this worthy cause.

MRS. STANLEY GOODMAN, Chairman.

Under The Sun Sailing! Sailing! What Happens on Matsonia?

By Herman Silverman and Stanton Delaplane

Today I was going to write a column about Hawaii. You know why—cause we think you would have a wonderful time on The Sun Seaparty to Hawaii. As you know, this jaunt leaves May 10 on the Matsonia for 17 luxurious, fun-filled days, returning on the Lurline.

If you wish, you can fly back, extend your stay or cut the tour price to \$448 by signing for less expensive accommodations on ship. Your home in Hawaii is at Hilton's Hawaiian Village. (End of commercial.)

Look who is traveling?

As I was saying—I started thinking about a tempting column and then picked up the San Francisco Chronicle. Ah, Ha, Ace Travelman Stanton Delaplane is on his way to the Islands via the Matsonia. This guy Delaplane is a riot and is fun to read, whether or not you are a travel bug.

So why write a column? Why not let Delaplane do the work this week? Here he is telling YOU about YOU on the way to Hawaii aboard the S.S. Matsonia:

Two days out of San Francisco for Hawaii, the weather clears and the sea has a cradle-like roll.

The ship's passengers shed the after-effects of bon voyage champagne and emotion. They break out the flowery aloha shirts and report for hula class.

"One, two three. One, two three," said the hula lady.

"We give them a good broiling before they get to Honolulu," said Captain H. O. Matthiesen, looking down at the sunstruck passengers.

What to do?

"The main thing is to keep them busy," he said.

As a matter of fact a luxury cruise is a busy proposition.

"I'm taking a sea trip for a good, long rest," the passenger tells his friends.

"Imagine that lucky stiff," they say. "Lying around all day with nothing to do."

This is not the way it works out. Nobody knows it better than shipping companies.

At 7:30, coffee and sweet rolls on deck. At 8:30, breakfast. ("Every passenger brings an appetite," said the Captain. He has seen travelers able to eat two complete dinners every night.)

At 9:45, we have exercise time.

When do we eat?

At 10 o'clock, we have the morning bouillon.

At 10:30, the horseracing, an indoor bit of gambling. (We also bet in a pool on the ship's run from noon to noon.)

At 11:45, the hula class. This is very entertaining.

At 1 o'clock, lunch. Seven courses if you like.

From 1:30 to 3:30, you may kibitz the navigation bridge, trapshoot off the stern, swim in the pool or lie down and recover from the morning.

There is a progressive canasta party during this time. A paddle tennis tournament. A talent show. A fashion show. And a tea service.

In the evening, dinner, a motion picture, dancing.

"What I like about a trip like this," a passenger told me, "is it gives you a good, long rest. Absolutely nothing to do."

What happens at the dock?

The Matsonia (on the fifth day) pulled in the gangway and began to move toward the docks—the hula girls undulating on her decks.

The ukuleles sobbed and the passengers wept through their leis, which by this time had piled clear up to their foreheads.

AND SO THE LUXURY CRUISE ENDED. Not with a bang but with 331 whimpering, lei-hung, emotional passengers.

They crowded down the teary gangplank.

"Isn't it wonderful!" they wept. "Be sure to look me up now at the Hawaiian Village. We MUST keep in touch."

And when I judged it was safe and dry, I went down myself.

That old kibitzer again!

Y'all Come to Sale

Springtime, spacious quarters and bargains combine to promise the success of a one-day rummage sale to be conducted by members of Rocking Horse chapter of Children's Home Society. The event, to take place April 15, between 9 a.m. and 4 p.m., will be held at the PG&E building, 1535 Bonanza, Walnut Creek.

According to Chairman Mrs. Frank E. Dilling the variety of new and used merchandise will range from nursing bottles for infants and toys for toddlers

to jewelry and furniture for the 'grown-ups'. Clothing and useful items for every taste and every age will assure fun for bargain seekers and funds for the statewide private adoption agency.

More than 20,000 children have found permanent homes since the founding of Children's Home Society of California in 1891. All proceeds from the sale go to the Society, a member of the United Crusade, to further the much-needed and ever-

expanding services to natural parents, children and adoptive parents.

Assisting Mrs. Dilling will be Mesdames Don Lees, Prince Beers, and Roger Souza of Walnut Creek, Don Hutchinson, Earl Morgensen, William Tie-man, Eric Curtis and W. C. Morgensen, Orinda, James Kolb and Maurice Furstenburg, of Berkeley, W. F. Tibbitts, Moraga and Rocking Horse Chapter President, Mrs. H. Lawton of Alamo.

Local Auxiliary Members Prepare for Flower Ball

Members of the Woman's Auxiliary to the Alameda-Contra Costa Medical Association, Contra Costa unit, are preparing for their annual flower ball which will be held May 6 at Castlewood Country Club in Pleasanton.

Mrs. John Hutch, Walnut Creek, chairman of the affair, has announced that this year's theme will be "Portrait of Spring." Decorations will be enhanced by an exhibit of drawings and paintings by Leonardo Carvajal, San Francisco portrait artist. Guests will enjoy dinner and dancing to music provided by Henry Gallagher's orchestra.

Local women assisting Mrs. Hutch in making arrangements for the evening will be Decorations Chairman Mrs. Ray Arnold, Lafayette; Reservations Chairman Mrs. Alan Ory, Walnut Creek; Hostess Chairman Mrs. Richard Irvine, Concord;

Charity Awards Chairman Mrs. Charles Hart, Walnut Creek, and Publicity Chairman Mrs. Eugene B. Whitney, Pleasanton Hill.

The flower ball benefits the auxiliary's nursing scholarship program, which each year provides several \$200 scholarships to students who are pursuing a nursing career. The group also sponsors Future Nurses Clubs in high schools throughout the county.

Mrs. Irving Fine, Lafayette, is president of the auxiliary and other local officers serving with her this year include Second Vice President Mrs. Louis E. Arnaud, Walnut Creek; Treasurer Mrs. John S. Cheredes, Walnut Creek; Corresponding Secretary Mrs. Alan Ory, Walnut Creek; Nurse Recruitment and Scholarship, Mrs. John W. Fitzsimmons, Walnut Creek, and Mrs. Irving Fine, Concord.

Afternoon Rite Weds Carol and Frederick

Joined in marriage by the Reverend Cauncey Blossom of the Orinda Community Church February 11 at a 3:30 p.m. ceremony were Carol Elizabeth March and Virgil Frederick Denhart.

Daughter of Mr. and Mrs. Don V. March of Orinda, Carol's floor-length gown was of white silk brocade with a short train and an open neck line. The fingertip veil was held by a pearl-trimmed crown. She carried an arm bouquet of stephanotis surrounding two white orchids.

Given away in marriage by her father, Carol's maid of honor was Miss Kathy Tesman.

Bridesmaids were Misses Judy Hopkins, Marlene Gambucci and Jeanna Morrison, a cousin of the bride.

The attendants wore dresses of chiffon draped over light green taffeta. Accessories were matching. Headpieces consisted of tiny veil and a head clip. Flowers carried by the attendants were bouquets of yellow roses surrounded by white carnations.

Fred, the son of Virgil D. Denhart of Orinda and Barbara Bender of Concord, chose for his best man David Meyer.

Ushers were Don March, brother of the bride, Frank Mitchell and Jack Lee.

The bride's mother wore a beige silk print accented by a tan orchid. Carol's grandmother, Mrs. William Bossett, was attired in green silk print and wore a pale green orchid.

The groom's mother wore blue brocade silk. At a reception held in the church social hall, Miss Debbie Morrison, cousin of the bride, was in charge of the guest list. Carol attended Diablo Valley College, where she was a member of Dianias, sponsored by Children's Foster Care Services.

Her husband attended Diablo Valley College and Golden Gate College.

Upon returning from a honeymoon at Monterey, the couple will reside in Orinda.

Mrs. James Billings Attends Meeting

Mrs. James Billings of Lafayette, recently attended the Acacia branch meeting at Hyatt House in Burlingame.

Acacia is a branch of the Children's Hospital of the East Bay.

W. A. Kings Tell At Party Son's Nuptial Plans

A St. Patrick's Day party for local friends was the occasion for the engagement announcement made by Mr. and Mrs. Wyatt A. King of Orinda of their son, W. Alexander King Jr. of Palo Alto to Carole Jean Erickson, daughter of Mr. and Mrs. J. A. Erickson of Auburn.

The future bridegroom graduated in 1959 from Stanford University and has just completed his military service in the Army.

Carole, a 1960 graduate of Stanford, is a medical technologist employed at Sequoia Hospital in Redwood City.

An April 29 wedding is planned to take place in the Stanford Memorial Church at noon.

A reception at the Pioneer Hotel in Woodside will be held after the ceremony for the immediate family.

Alexander is the grandson of the late Mr. and Mrs. F. F. King of Hudson, Ohio.

His maternal grandparents are the late Mrs. Sherman Fowler Crawford and Mr. Crawford of Lakewood, Ohio, and Palm Beach, Florida.

The bridegroom-elect has a sister, Kristine, and a brother, Dennis, who is in the Navy.

Graphologist Speaks at Luncheon

William F. Baker, president of the American Graphological Society, speaking on "You and Your Handwriting," will be featured at the April 11 luncheon meeting of the Woman's Auxiliary to the Alameda-Contra Costa Medical Association, Contra Costa Unit at the Claremont Hotel.

Baker aids psychiatrists in clinical revelation of emotional problems, counseling and group therapy. He will discuss the value of handwriting analysis in the fields of industry and business, education, medicine, hospitals and clinics, child development and individual self discovery.

PREPARING for the Orinda Woman's Club Wine Festival and Water Color Exhibit Sunday from 4 to 7 p.m. at the Brazilian Room, Tilden Park. Mrs. Henry Soubielle, president and Mrs. Donald Pederson, ways & means, check the supply in Phair's Wine Cellar, Orinda. —Sun photo by Bob Rush.

April Is Busy...

April continues to be a busy month for the Lafayette Women's Club. The art section met at 1 p.m. yesterday at the home of Mrs. George Simmons, 1053 Vio Boja, Lafayette.

Mrs. George Clever, state art chairman for the Federated Women's Clubs, was guest speaker.

April 14 at 1:30 p.m. the literary group will meet at the home of Mrs. Ray Farley, 1515 El Sombro Way, to review the book, "The Ten Grandmothers," by Alice Marriott.

April 14 the club will sponsor the play "Rashomon" by the Dramatists, a local amateur theatrical group. The play will start at 8:30 p.m. at the Town Hall on Moraga Road in Lafayette.

Tickets may be purchased by contacting Mrs. William Krupenbach, AT 4-7484, and are \$1.75 each, for which the proceeds will be used by the club on various philanthropy projects.

The community service section will meet at 9 a.m. April 24 at the Volunteer Bureau, 2030 North Main Street, Walnut Creek, to help the American Cancer Society on various work assignments.

April 25 Mrs. William Takahashi will review the book "Suddenly The Sun" by Eleanor Hull.

The book is the story of the Takahashi family's early days in California. The book review will be held at the Veterans Memorial Building in Lafayette following a dessert tea at 1 p.m.

The arts and craft section will continue to meet each Wednesday at the studio of Mrs. Margaret Miller, section chairman. Mrs. Miller will give instructions in leather work.

Garden Club Hosts Speaker

Speaking on "Ground Covers," Mrs. Arbegast from the School of Landscape Design at the University of California, addressed the members of the Hilltop Garden Club at their March 15 meeting at Mrs. Bert Cole's home.

Those who attended were Mesdames George Burt, co-hostess of the event; Bert Cole, Clifford Davey, Gordon Markley, A. P. Reck, Ashton Smith, Thomas Cullen, Robert Lester, Lloyd Hecathorn, A. R. Snoble, Chris Madsen, W. G. Court-right, Royce Fowlk and Mrs. Edith Walker and Mrs. Jane Rose.

Gardens Will Bloom Again

The landscaped gardens of a trio of Howard residences in Walnut Creek will again be the setting for the Sixteenth annual Festival of Flowers and Fashions. This fashion show and tea, given each year by Walnut Branch of Children's Hospital of the East Bay will be held May 9 at 2 p.m.

Mrs. King Crosno, chairman of the festival, announced that decorations are being planned by Mrs. Jack H. Turman, with the assistance of the sustaining members of Walnut Branch under the chairmanship of Mrs. Leo E. Fenton.

Other committee chairmen working to make the festival a success, are: Tea hostess, Mrs. Harmon Howard; fashion show, Mrs. A. Keyes George of Danville and her assistant, Mrs. Robert B. Wentz of Concord; refreshments, Mrs. Lewis E. Walton; program, Mrs. Louis W. Werthman; properties, Mrs. John Salathe Jr., assisted by Mrs. Robert Chance and Mrs. Frank Burkett; music, Mrs. W. E. McDermott Jr.; finances, Mrs. D. Charles Williams, reservations, Mrs. John Griffith; tickets, Mrs. C. Terence Ring; and publicity, Mrs. Hollis McLaughlin.

Tickets for this event may be purchased for \$2.25 from any member of Walnut Branch or by calling Mrs. C. Terence Ring at YE 4-3427.

Sierra Guild Raises \$12,000

Sierra Guild of John Muir Hospital has pledged \$15,000 towards the establishment of the nursery wing for the hospital.

The guild has raised \$12,000 of the objective, originally planned to extend over a three-year period. The guild is approximately 15 months old.

Recently elected to office in Sierra Guild are: Mrs. George L. Kline, president; Mrs. Gordon McCauley, vice-president and membership chairman; Mrs. P. W. Harris, secretary; Mrs. Armon Weeks, treasurer; Mrs. Louis Rosen, corresponding secretary; Mrs. Melvin West, telephone chairman; Mrs. Charles A. Hart, by-laws chairman; Mrs. Frank E. Thomas, publicity chairman.

Those interested in joining Sierra Guild should call the membership chairman at YE 4-9282 or the co-chairman at YE 4-7240.

Acalanes Tops Foothill Baseball League

-Sun Sports-

Friday, April 7, 1961

Miramonte Game Is No Test; Knights Are Next

After only two league games, Acalanes has been tabbed as the team to beat in the Foothill baseball circuit.

Combining good pitching and heavy hitting again, the Dons blasted Miramonte 9-0 Tuesday.

Last week Acalanes routed Piedmont, 19-2 in the league opener. The Dons now possess a 5-0 overall record.

Las Lomas will challenge the high-flying Dons on its home field Tuesday in the week's feature game.

Fast-baller Bill Remy will probably be given the chore of stopping the Dons' booming bats.

Acalanes is definitely in the league "hot seat" now with the other clubs concentrating on knocking them off their early season perch.

The Las Lomas game could be a real test for the Dons.

The Knights scored an impressive win over Alhambra in their opening game, but last week were soundly defeated by San Ramon.

IN OTHER GAMES Tuesday, Miramonte will probably lick its wound by trampling hapless Piedmont while Alhambra and San Ramon battle in Danville in a game rated as a toss-up.

OPENING DAY — Breaking the ribbon to officially open the Walnut Hills Country Club is Scott McCulloch who posted a hole-in-one with the first foursome to play the course Saturday morning. Holding the ribbon is Club President Arthur Lambert. Gene Holman, club manager (left to right), Betty Sibert, secretary, and Dinny Dinsmore, club golf pro watch the proceedings.

—Sun photos by Mattson.

DAY OF FIRSTS—Scott McCulloch of 1730 Botelho Drive, Walnut Creek, holds the lucky ball he used to score his first hole-in-one after 25 years of playing golf. With him is his wife Helen, daughter Susan Heather and son Sandy. Susan holds the trophy presented to McCulloch for being the first player to post an ace on the new course. He was the first person to join Walnut Hills and was playing with the first foursome on Saturday, the club's opening day. McCulloch scored his ace on the 143-yard fifth hole while playing with Ed Logsdon, Marshall Potts and Emmitt Duckett. He carded a 68 on the par 58 course.

The Ski Line

The Ski Crowd Is Ready To Call It a Season

By HEC HANCOCK

The ski season, caught in the throes of the warm spring sunshine, is not long for this world. Each week the green valley steadily pushes the snow line upward to the ramparts of the peaks. The rapidly dissipating snow pack, feeding the swollen rivers, is tangible proof that snow skiing will shortly give way to water skiing. The King is dead, Long live the King.

However, it isn't quite time for postmortems on this season. Still on the agenda is the Silver Belt Race to be held at Sugar Bowl, April 16.

The Silver Belt Race, a roaring downhill off the top of Mt. Lincoln, traditionally has signaled the end of the regular season. In recent years it has taken on the atmosphere of a "homecoming." Many of the "red hot" skiers of a few years back that succumbed to the blandishments of domestic bliss farm out their progeny and take off for the Sierra.

IT IS strictly a fun ski weekend, with most of the technique available being best found in the lounge or on the porch. It is a time to see old friends, and write fini gracefully to a good season of skiing. A goodly number of our local citizens were able to avail themselves of the spring skiing, as evidenced by the readily apparent ski tans they were sporting.

BOB RODDE of Walnut Creek took advantage of the spring vacation at San Jose State to ski Squaw Valley and the Sugar Bowl. Sydne Rogers, Walnut Creek's contribution to Stanford, spent the week skiing in the Donner-Lake Tahoe area. Drury Spurlock of Lafayette, and a student at Mills, came a cropper on KT 22 and wound up her season a little prematurely. Joyce Lesser of Lafayette, after returning from a two-week ski vacation, couldn't resist a weekend trip with son Gary to Sugar Bowl and Heavenly Valley. Bobby Alamano of Walnut Creek, on his third outing on skis, looked like a real veteran.

Bob Nordeman of Walnut Creek clobbered a pair of skis in a fall at Soda Springs, but otherwise was none the worse for wear. Bob was one of a large group that went up to Soda Springs from the Walnut Creek Presbyterian Church under the direction of Duke Robinson. Duke, looking older but wiser for his experiences upon his return, is looking "eagerly" forward to a trip next year.

So, like the man on radio says, "It is all over for you, my man." The end is in sight, but there is still time for a couple of enjoyable weekends.

This weekend will see hockey return to Blythe Arena in Squaw Valley. The Far Western Ice Hockey Championships will be held starting tonight.

3 Shutouts In DVAL Baseball

FOOTHILL LEAGUE STANDINGS
(Does Not Include Thursday Games)

	W	L	RS	RA
Acalanes	2	0	28	2
Las Lomas	1	1	9	11
Miramonte	1	1	8	9
Alhambra	1	1	7	4
San Ramon	1	1	9	13
Piedmont	0	2	2	24

FOOTHILL BASEBALL SCHEDULE

Tuesday
Acalanes at Las Lomas
Piedmont at Miramonte
Alhambra at San Ramon
Thursday
Acalanes at San Ramon
Piedmont at Las Lomas
Miramonte at Alhambra
(All games begin at 3:45 p.m.)

In Tuesday's game, Tom Strain went the route on the mound for Acalanes to notch the win.

Acalanes collected 14 hits, punching them for three runs in the third and six in the fourth frame. The big blow was a home-run by John Jones with two on in the fourth.

Lead off batter Stew Fox wound up with a triple and a pair of singles in five times at the plate.

VIC CLARKE had three singles for three trips to the plate to get half of Miramonte's six hits.

For Miramonte, Jim Tonascia started on the mound and was relieved in the fourth by Bill Kent.

In other Foothill League games, Alhambra shut out Piedmont 5-0, collecting nine hits while Piedmont managed but two off Doug Wolters who went the route for the winners.

ALHAMBRA scored two runs in the second, one in the sixth and two in the seventh.

Las Lomas played at San Ramon found the going a bit rough as they were thumped 9-5. The Wolves outthit Las Lomas 11-4.

San Ramon scored one in the first only to have the Knights take the lead in the third as they scored a pair.

SAN RAMON posted four in the bottom of the third and stayed in front with three in the fourth and one in the fifth. The Knights scored a pair in the fourth and one in the fifth to round out their scoring.

San Ramon had four players with two or more hits.

K. C. Evans banded out a pair of singles and a homerun to head the list with three for four, while Fred Adams and Jim Howell each had a pair of singles.

The Knights' best stick was Mike Breuleux with a triple in three trips to the plate.

Lady Golfers Tie in Tourney

Mrs. Kenneth Cannon and Mrs. Frank Perry tied for top honors in the Pin Day tournament of the Diablo Country Club Women's Golf Group.

Mrs. Cannon shot an 87-17-70 and Mrs. Perry had a 90-20-70.

Mrs. Edward Ballman finished third with an 80-9-71 and Mrs. Reg. C. Bowman took fourth with an 86-14-72.

Semi-Pro Tryouts At College Park

The Pleasant Hill Baseball Association will hold tryouts for its semi-pro team tomorrow and Sunday.

Practice sessions will get underway at 1 p.m. at College Park High School on Viking Drive in Pleasant Hill.

All boys 17 years of age and up and living in this general area are eligible for the team. There is no maximum age limit.

The team will be a member of the National Baseball Congress. Almost 900 boys are participating in the association's program this year on 58 teams.

There are 20 teams for nine and 10 year-olds; 19 teams for 11 and 12 year-olds; nine teams for 13 year-olds; nine teams for 14-16 year-olds, and the semi-pro team.

Further information may be obtained by calling Bob Anderson at the recreation department office (MU 2-0898).

DVC Golfers Win Twice

Last week in the Western Intercollegiate Golf Tournament at Santa Cruz DVC finished 14th in team play out of 37 colleges entered in the three-day event.

The Viks placed second to San Mateo College among two-year schools. San Mateo defeated the Viks earlier this year.

All five Viking golfs made the final round with Busby topping the team with scores of 85-75-73.

Of more than 200 individuals entered in the tournament, less than 70 made the final round.

Don Ferrarese, Acalanes High graduate and now a resident of Pleasant Hill, has been sold by the Cleveland Indians to the Philadelphia Phillies.

Ferrarese was training with San Diego, an Indian farm team in the Pacific Coast League, this spring.

The left-handed pitcher was an all-around athlete at Acalanes and was awarded the Lou Gehrig national award for his exploits on the diamond.

It's Spring—So Take It Easy on The Highways

Springtime is a great time to storage and, above all, to take be alive—it's the time for picnics, to the highway—and Americans hikes, getting the boat in repair, do take to the highway every and the swimming suits out of spring—in droves.

"There is just one unpleasant aspect of this situation," says Robert E. Early, first vice president of Farmers Insurance Group

Safety Foundation, "and that is that death and its first cousin, injury, also take to the highways at this time of year and reap a tragic harvest."

How can you, the motorist, stop the depredations of this unwelcome duo? Here are a few simple rules:

1. When driving at high speed in open country, check your speedometer as you approach a built-up area or small community to a safe speed but in reality it is not.

2. For every 10 miles of speed slowing down to a safe speed. If you have been driving 65 miles per hour for a prolonged period, you may think you are slowing to a safe speed but in reality it is not.

3. Take frequent coffee breaks on a long trip, especially week-end jaunts. Fatigue is underrated as an accident cause.

4. Drive defensively — that means watching out for what the other fellow might do.

Rescue Efforts Under Way at Buchanan Field

Before the old administration building and control tower at Buchanan Field is demolished, four rescue crews of the County

Public Works Department are using the building to practice rescue techniques. During the mornings this week

rescue teams will simulate a disaster in which persons are trapped in the partially destroyed building. Then to rescue the victims they

will have to cut holes in the roof, or in the walls, tear down partitions, rig a telpher line and perform rescue operations of many types, all with a semblance of reality. Routine ladder, generator and

rope drills will also be included. A portion of the work will be done with the teams wearing self-contained breathing apparatus. The four squads under the coordination of Paul Kilkenny of the Public Works Department include

selected Public Works employees whose Civil Defense assignment is in the Rescue Service. Al Eatherton is the over-all rescue leader. Danny Gass is leader of the squad based in Lafayette.

Orinda Sun

Friday, April 7, 1961

Page 13

Vic Quilici and Ray Yale are co-leaders of the Martinez squad. Mrs. Barbara Burton, deputy director of the County Civil Defense Disaster Office, received

extensive training in rescue techniques at the civic defense training school at St. Mary's during the 1950s. She will assist in coordinating and planning the operations.

AT A FAMILY dinner held recently in Walnut Creek, the engagement of Alice Crawford Blount of Orinda and Carter Eaton Swart of Westchester, California, was announced. —Photo by Don W. Jones.

WED MARCH 25 by Father Murphy at Church of Santa Maria in Orinda were Barbara Anne Fridell of Orinda and Thomas Raymond Flores Jr. of Sanger. The newlyweds honeymooned at Tahoe. —Photo by Beem Studio.

ANNOUNCED Monday evening at Kappa Kappa Gamma sorority at the University of California at Berkeley Monday evening was the engagement of Shelley Anna Pond of Lafayette to Irving J. Hurd Jr. originally of Hawaii. —Photo by Cecil Davis, Berkeley.

June Wedding For Alice Blount

The First Unitarian Church in Berkeley will be the place for the June 10 wedding of Alice Crawford Blount of Orinda and Carter Eaton Swart of Westchester, California.

The newly affianced couple announced their engagement at a family dinner recently.

Alice is the daughter of Mr. and Mrs. J. Prescott Blount of Orinda. She attended the University of California at Davis and Diablo Valley College. She is a stewardess for United Air Lines. She affiliated with Rain-bow.

Alice's mother, Mrs. J. P. Blount, belongs to AAUW and the family belongs to the Pebble Beach Sports Car Club.

The bride-elect has a brother, Lt. J. G. Charles W. Blount, a graduate of Annapolis, currently attending Nuclear Submarine School in Conn. A sister, Anne, attends Miramonte high school.

Carter is the son of Mrs. Howard C. Swart of Northridge, California and the late Howard Carter Swart. He graduated from Los Angeles Valley Junior College and served with the Army in Germany.

He is currently employed at the Bank of America in Los Angeles.

Miss Rechtiene, Jerry Page Tell Engagement

Planning a midsummer wedding are the newly engaged pair, Carol Ann Rechtiene of Berkeley and Jerome Wallace of Berkeley.

The couple, who met at Yosemite National Park in 1958 during summer employment, announced their engagement at a family dinner of the bride-elect.

Carol is the daughter of Mr. and Mrs. J. E. Rechtiene of Highland Road in Lafayette.

Jerome, or Jerry, is the son of Mr. and Mrs. Wallace D. Page of Santa Clara Avenue in Berkeley.

The bride-elect graduated from Acalanes high school in 1953. She received her A.B. from the University of California at Berkeley in 1957.

She is a member of Kappa Delta sorority.

At present, Carol is employed as a first grade teacher at Lincoln elementary school in Berkeley.

Jerry graduated from Berkeley high school in 1953 and attended San Jose State College.

20-30 Annes Arrange Wine Festival

Diablo Valley 20-30 Annes plan a wine festival April 14 from 7 to 9 p.m. at the Walnut Creek Elks Club.

In charge of the festivities are Mrs. Don Mount and Mrs. John Shea.

Helping with the arrangements are members Mesdames Ron Monroe, president; Bob McKay, Harry Ruth, Dick Bray, Marie Jones, Bill Comerford, Mike Jones, Dave Gerlack and Jack Taylor.

Proceeds from the festival will be donated to the Lynn Training Center for Retarded Children.

Group parties are welcome. Those interested in attending call Mrs. Don Mount, YE 4-0120.

Stampleys Visit

Spending a few days at Del Monte Lodge, Pebble Beach are Mr. and Mrs. Richmond M. Stampley of St. Stephens Drive, Orinda.

Newly Engaged Carole Roberson Tells News

The engagement of her daughter, Carole Roberson, to Gary Stewart was announced recently at a dinner party by Mrs. Lou Roberson.

Carole is a graduate of Alhambra high school, class of 1960. She is attending Diablo Valley College and majoring in journalism.

Gary graduated from Weisbaden high school in Germany where his parents, CWO and Mrs. Miles Stewart are stationed by the U.S. Army. Gary attended Diablo Valley College and lived with his grandparents, Mr. and Mrs. Andrew Stewart in Pleasant Hill. He is now in basic training at Lackland Air Force Base, Texas.

Orindan's Vacation At Pebble Beach

Spending a few days recently at Del Monte Lodge, Pebble Beach, California, are Orinda residents Dr. and Mrs. H. S. Coloney of Tappan Lane and Mr. and Mrs. V. C. Bull of Crescent Drive.

Miss Pond Will Wed

Announced at the Kappa Kappa Gamma sorority at the University of California at Berkeley Monday evening was the engagement of Shelley Anna Pond.

The future benedict is Irving J. Hurd Jr. son of Mr. and Mrs. Irving J. Hurd.

Shelley is the daughter of Mr. and Mrs. Chauncey P. Pond Jr. of Lafayette.

The newly engaged girl was an East Bay debutante in 1959. She attended Anna Head School for Girls and is presently attending the University.

Shelley is the sister of Michael Dailey Pond; the granddaughter of Frank H. Dailey and the late Alma Diel Dailey; Dr. Chauncey P. Pond and the late Josephine Kebby Pond.

Gamma Phis Meet

Under the direction of their newly elected officers: Mrs. Pierre Pellissier, president; Mrs. George Schrough, vice-president; Mrs. Robert Hollis, secretary; Mrs. Gardner Rogers, treasurer and Mrs. Harold Powell, corresponding secretary, the Contra Costa Alumnae of Gamma Phi Beta met at the Lafayette home of Mrs. Ralston W. May, recently.

the niece of Mr. and Mrs. Shirley H. Baker and Mr. and Mrs. Carl P. Dailey.

Her fiancé, born in Hawaii, attended Town School for Boys in San Francisco, Berkeley High School and graduated from the University of Berkeley.

He completed three years as a Lieutenant in the U.S. Air Force. Presently Irving is a second year law student at Boalt Hall of Law at the University of California.

The future bridegroom is affiliated with Phi Gamma Delta, Phi Delta Phi—legal fraternity—and Bachelors of San Francisco.

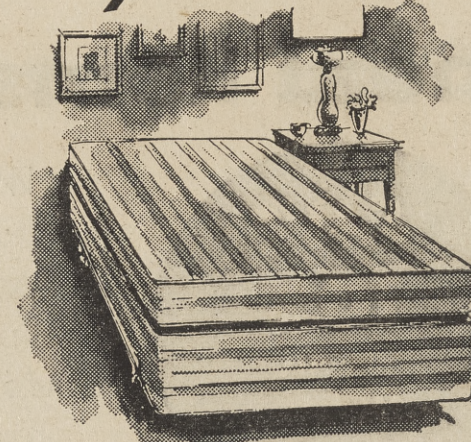

No date has been set for the wedding.

SUMMER CAMP

Leaving for the Idaho Primitive Area June 20, July 6, July 24 and August 10. Apply now for reservation. Rugged exciting experience in hiking, packing, camping and fishing. Fishing is great—the big ones do not get away. Twelve boys selected for each trip. Supervision by 2 well qualified adults. Chance of a lifetime for your boy. Write for free brochure.

WALNUT CREEK • 1272 BROADWAY

Engagement of Chalan Helmholtz Thrice Revealed

Chalan Helmholtz, daughter of Physics Professor and Mrs. A. C. Helmholtz of Lafayette, announced her engagement to Lieutenant E. M. Chaffee, Jr., three times during February.

The news was told at a family gathering February 4 in Rochester, Minnesota, at a mother's annual family meeting February 6 in Winona, Minnesota, and February 13 in Claremont, California at Grace Scripps Hall with the traditional box of candy and favors.

Her fiancé, presently stationed at Fort Ord near Monterey, is the son of Mr. and Mrs. E. M. Chaffee at Rolling Hills, California.

The newly engaged couple plan a July wedding to take place in Lafayette.

The bride-elect graduated in 1957 from the Anna Head School and will graduate in June from Scripps College.

The future benedict graduated from Claremont Men's College in 1959 with an A.B. degree.

Judith A. Toland Is Bride-Elect

Mr. and Mrs. Harold William Toland of Walnut Creek, parents of Judith Ann (Judy) Toland, announced the engagement of their daughter to Dr. Winfield Randall Scott, a captain in the Air Force.

Miss Toland is presently an airline hostess with Slick Airways.

Judy graduated from Acalanes High School. She attended San Jose State College, her sorority being Alpha Chi Omega, and Armstrong Business College in Berkeley, where she affiliated with Psi Delta.

A brother, Tom, a Phi Kappa Psi, attends the University of California at Berkeley.

Judy is the niece of Mr. and Mrs. Clyde E. Toland, Oakland; Mrs. Alice K. Webb, Oakland; Mr. and Mrs. Sam Eskstein, Redwood City; Mrs. A. M. Trower, Orinda.

He is the son of Mr. and Mrs. Randall M. Scott of Long Beach. He has a sister, Mrs. Ralph Lind.

Water Newly Planted Natives

The wise gardener will consider these five points this week. Water newly planted natives, such as ceanothus, occasionally to help them get established. After the first of the year they'll thrive on drouth.

Plant dahlias for summer color. The dahlias are available as bedding plants.

Mulch around roses with steer manure. Mulch camellias and rhododendrons with peat moss or planting mix and keep it moist.

Your Garden

Certain Plants Thrive With Minimum Light

When you garden under a roof in a sunny room or an open lanai, the amount of light that a plant is severely restricted. There are degrees of light, of course, but what you plant will have to be satisfied with a minimum of that life-giving element, sunlight.

Fortunately, we have certain plants that thrive on dark going. You can grow them on a covered

patio, or in an enclosed lanai which opens up only as the weather permits.

They are usually non-blooming evergreens, to be sure, but their luxuriant, tropical-looking foliage is nice enough even without blooms.

FATSIA (or aralia, if you prefer) is one of the shrubs we turn to time and again for use in light shy places. The big, bold leaves retain their vigor and health even in the deepest shade, forming a pattern of graceful fans against the wall. Tub it for use inside or out.

Whoever conceived the idea of crossing fatsia with ivy to produce fatsihedera deserves a medal. The vining habit of the ivy and the bold leaf pattern of fatsia combine to make a lush vining shrub for deeply shaded areas.

In the philodendron family we have any number of candidates for indoor-outdoor culture, and all of them are good. Some are large-leaved and shrublike; others are small of leaf and vining in habit seeking whatever support is provided. A member of the California Association of Nurserymen can show you the lot.

HE CAN ALSO show you the handsome wax vine which, when it produces its waxy blooms in summer, is lovely to see and sniff. The glossy foliage is reason enough to plant the wax vine, though, and blooms are a bonus.

We can think of other good shrubs and nurseries abound with more than we can think of. Aueuba loves the shade; many ferns are fine for growing under a roof; and for the sun room, you always have orchids—but that's a story in itself.

Sun Home and Garden

COME ON OUT and fight! That's what Ricky Smith of Walnut Creek thinks of his adversary, the gopher. These little beasts can be a problem, as most home gardeners know, but there are more conventional ways of handling the situation, as your nurseryman can tell you.

—Sun photo by Bob Rush.

Juniper Spraying Starts Campaign Against Rust

Spraying of juniper plants forby plant pathologists of the California Department of Agriculture confirmed the presence of the rust on juniper in the early stage of development, thereby completing the life cycle of the rust in the area.

Bureau officials said that this rust appears on pear twigs and foliage in the late summer, then occurs on junipers in late February. The cycle of infection is from pear to juniper to pear.

County Agricultural Commissioner Arthur Seeley on February 21 reported that pfitzer and tam junipers, growing in a mixed planting where infected pear trees were found in 1960, showed suspicious looking pustules or swellings.

Examination of this material

Summer Should Never Be Lacking Color

Summer is a season that should never lack for color in California gardens. Yet, strangely, it often does. Perhaps too many of us plant for spring and realize only too late that we're not really set for the months that follow.

Lest the warm season catch you napping, take a tip from the California Association of Nurserymen and survey your garden now. Arm yourself with a pencil and paper and use the following checklist to see where you stand.

We've left roses until the last, but they are certainly not least in our summer garden plans. You probably planted them during bare-root season, but if you forgot to, C.A.N. nurserymen offer container-grown bushes that transplant easily. And if you've also forgotten how nice they are to have around in summer, it's time you refreshed your memory. Few shrubs are nicer in any season.

NO MORE LAWN RAKING NEW ORBIT AIR

New cyclone chamber action pulverizes grass clippings, forces them down near grass roots as invisible mulch. Easier, safer way to beautiful, healthy lawns.

Marguerites Bloom Marvelously

You seldom see them in the garden shows, and please don't ask us why. For when it comes to adding color in any corner, Marguerites are really blooming marvels.

These durable daisies bloom in spring; they bloom in summer and they bloom in fall. In favored areas, they even bloom through winter, which just about completes the cycle. Add to this their easy culture and you have the fool-proof answer to any gardener's dreams.

In the garden, Marguerites tion, so try them where you will. have unlimited uses . . . all in the sun. You can tub them for display on the deck, string them out along

a neglected drive, mix them in a border of other perennials such as lavender and red hot poker. They adapt readily to any situation. Those who don't start from scratch, renew old plantings by cutting them back in late fall or early spring, sacrificing a short period of bloom while the new growth takes hold.

AAUW Will Sponsor Math Meet

Plans are nearly complete for the American Association of University Women Math Meet, a yearly event sponsored by the Walnut Creek branch of the AAUW.

Eleven schools in East Contra Costa will participate in the contest, which will be held at Diablo Valley College May 9.

Charles Wheeler, DVC math instructor, will be chairman of the college committee which composes and administers the tests. Ken Skeen, David Glover and

Richard Cooper, also of the college math department, will be on the committee.

Each high school participating in the event sends a team of four students proficient in mathematics.

The students will take two examinations, one individual and one as a member of a team.

The high schools participating are Acalanes, Antioch, Clayton Valley, College Park, Las Lomas, Miramonte, Mt. Diablo, Pacifica,

Pittsburg, Pleasant Hill and San Ramon Valley.

Assisting Mrs. James C. Mackey on the AAUW committee are the Mesdames L. E. Arnaud, banquet; Paul A. Benjamin, hospitality; Paul Broadhead, trophies, and

H. E. Mutnick, refreshments. And Mesdames W. R. Parker, publicity; R. F. Post, school-industry liaison, and Jack Rasmussen and R. E. Balster, decorations.

SIGNAL EARLY

Last-minute signaling when driving is dangerous, warns the California State Automobile Association. Whether you have mechanical turn indicators or use hand signals.

Shelley Berman Soon at Curran

Shelley Berman, one of America's popular humorists, will be seen in "The New Sides of Shelley Berman" at the Curran Theatre, San Francisco.

He will appear for one week only, beginning next Monday, and continuing through to the following Sunday evening.

The evening performance begins at 8:30 p.m., except for the special Sunday evening showing, which will be held at 7:30 p.m.

He will appear here at only one matinee performance and that will be on April 15 at 2:30 p.m.

Vocational Programs Offered at College

Persons interested in applying for admission to one of the four vocational programs offered by Diablo Valley College should apply in person at the college.

A battery of tests will be given in the college gymnasium on Saturday morning between 8:30 and 12:30. Verle Henstrand, dean of student personnel, announced.

The four programs are electronics, apparel design, dental assisting and vocational nursing.

A NEW program for the training of dental hygienists will also be offered in the fall. Information concerning this course will be announced later, according to Henstrand.

Since there are minimum requirements for acceptance into any of the vocational programs, all applicants are required to take admission tests, as well as have a personal interview.

Applicants should specify the program for which they are applying. Those students selected will be notified by July 15.

The two-year program in electronics technology is designed to prepare students for employment in many phases of electronics, including research and development as well as production and maintenance.

ACCORDING to Robert Hendrickson, electronics instructor, the first year is devoted to basic components and circuits, while the second covers such specialized areas as communications equipment, automatic devices and missile control systems.

Candidates for the program in dental assisting will find the college's X-ray processing room and dental laboratory equipped with the most modern dental facilities.

Mrs. Wanda Mooney, dental assistant instructor, said, "Students will be afforded the opportunity to visit leading dental colleges in the area, as well as participate in 'on-the-job' training programs in local dental offices."

THE TWO-YEAR apparel design program, taught by Mrs. Virginia Dallas, teaches sewing, tailoring, pattern making, designing and alteration.

Upon finishing this course a graduate is considered qualified for work in large department stores or to establish his own shop.

The classroom is equipped with high pressure steamboards and irons, pressing bucks, puff irons, button covering machines, felling machines, a commercial button-hole maker, heavy duty high speed commercial sewing machines and spotting boards.

"A rich background is acquired in style, fashion, wardrobe planning, color selection and textile recognition," Mrs. Dallas indicated.

THE VOCATIONAL nursing program offered at Diablo Valley College prepares students to take the state examination for licensed vocational nurses.

"Employment opportunities for vocational nurses at this time are excellent," Mrs. Sue Malone, registered nurse in charge of this program observed.

The vocational nursing program, as offered by the college in the past, has been conducted over a 12-month period, but according to Mrs. Malone, will be extended to cover three semesters beginning in the fall of 1961. Summer sessions will not be involved, however.

The public is invited to visit the sportswear department and see the show free of charge.

**Swimwear Show
At Capwell's**

A swimwear show will be held on Capwell's second floor Saturday at 2:30 p.m.

Free Patio, Pool Show Tomorrow

You are invited to attend a free patio-pool show and open house tomorrow from 10 a.m. to 10 p.m., complete with free refreshments, gifts and music!

This invitation was made this week by Suncraft Engineering which is celebrating its grand opening in its new location at 2955 North Main Street, Walnut Creek.

YOU WILL SEE some fascinating items, too, if you take advantage of the offer. Not only is a beautiful pool under construction (a chance for you to examine the quality materials and superior workmanship of Suncraft pools), but you can see samples of beautiful screened in porches in patio covers.

Obviously, a patio with no flies and plenty of shade is better than one full of bugs and heat! Suncraft has the answer.

DO YOU FIND tools cluttering up your garage, or lying all over the yard? Take a look at the Hide-a-Tool, more than 100 cubic feet of storage space at a phenomenal price.

League of Women Voters to Hold Annual Meeting

The League of Women Voters of Concord-Diablo Valley will hold its annual meeting Tuesday at 8 p.m. at the Red Cross Building in Walnut Creek.

Members will elect officers and board members, and adopt a program of local issues to be studied and acted upon during the coming year.

One of the proposals for league activity provides for a continuation of this year's study of metropolitan problems and preparation for action in conjunction with many other leagues in the Bay Area.

Another proposal involves the study of the county library system, and a look at school libraries and their relationship to the county library.

The Concord-Diablo Valley League, with a membership of over 100 women, serves the entire central Contra Costa County area. It is a non-partisan organization open to all women who are eligible to vote.

Its purpose is to promote political responsibility among all citizens.

JC Students Can Study in Mexico

A 44-day trip to Mexico City is a summer opportunity offered Contra Costa Junior College District students by H. Clark Falls, Diablo Valley College language instructor.

The package deal covers all expenses at Mexico City College and includes round-trip air travel from San Francisco, tuition, room and board, local transportation and five weekend tours, plus whatever else a student can sneak in in his spare time.

The "Mexican Adventure" tour, running from June 24 to August 6, is worth six semester hours of transferable college credit.

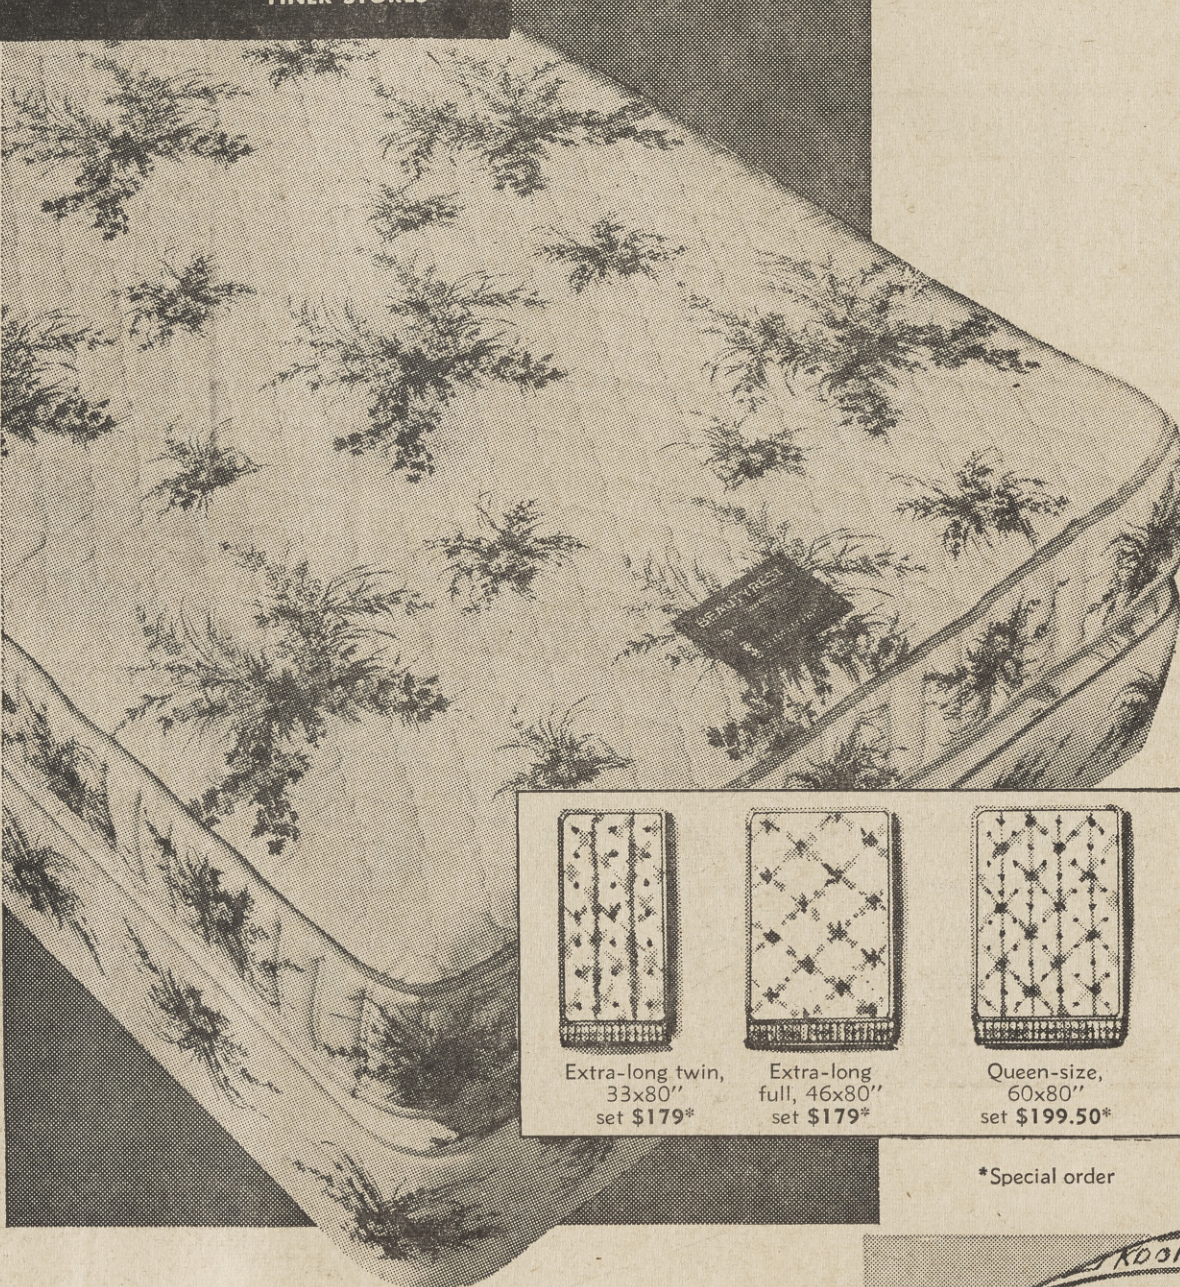

Practically all courses at Mexico City College are taught in English.

Falls, who will be in complete charge of the students, says the weekend tours themselves are worth the price of admission.

Included is three days of boating and water skiing at Acapulco and a four-day tour to the capital of the ancient Tarascan Empire and surrounding area.

County GOP Will Honor Nixon at Reception

Mrs. Virla Krotz of Orinda will head the Contra Costa County reception committee for the visit of former Vice-President Richard M. Nixon this weekend.

Nixon will be honored at a number of meetings in the Bay Area. He arrived yesterday morning to appear at the kickoff luncheon for the 1961 Bay Area American Cancer Society fund drive at the Fairmont Hotel.

Last night Nixon was honored guest at a Welcome Home reception by the San Francisco Republican County Central Committee and Republican Co-ordinating Council.

Today at 12:30 p.m., the former vice-president will open the first Republican community service center at 1422 Ocean Avenue in San Francisco.

The community service center is being established to assist people with problems which can be resolved by governmental and private service and charitable organizations.

In the evening Nixon will be in San Jose for a reception and dinner at the Terrace Room of the Hawaiian Gardens. This affair will be sponsored by the San Mateo and Santa Clara County

Republican Central Committees. TOMORROW, the former Presidential candidate will attend a buffet luncheon at Riskey's Rancho Rafael in Ignacio for volunteers and campaign workers from Marin, Napa and Sonoma counties.

The tour will wind up Saturday night with an 8 p.m. reception at the Veterans Memorial Building in Richmond sponsored by the Alameda, Contra Costa and Solano County Republican Central Committees and Republican clubs.

Variety Is Spice of Garden

Variety, say the poets, is the "very spice of life" and the "Mother of enjoyment," to which we, the gardener, can only add "amen." Variety in what we plant renews our interest in the garden and refreshes our spirit. Without it, the garden life would be too dreary—at least for us.

For all this, we know that some people prefer sameness in the garden. They grow a lawn and a minimum of evergreen shrubs, which vary, if at all, only in the texture of their foliage. The aim

Mrs. Krotz, who will coordinate the three county committees, said an estimated 3,000 Republicans are expected to meet the former vice-president in a face-to-face, handshake reception.

Admittance to the Richmond reception will be by invitation only, Mrs. Krotz explained.

Several thousand invitations have been mailed for distribution through local GOP precinct captains and Republican volunteer organizations throughout Alameda, Contra Costa and Solano counties, she added.

A LIMITED number of invitations will be available at the door for interested persons, she said. Arrangements have been made with the Alameda-Contra Costa Transit Authority for a special shuttle-run for persons attending the Nixon reception at 8 p.m. Saturday in Richmond.

Buses will pick up passengers in the Montgomery-Ward parking lot, 43rd and Macdonald Avenue, Richmond, starting at 6:45 p.m. Saturday. Passengers will be delivered directly to the main entrance of the Veterans building.

RETURN TRIPS from the Veterans hall to Ward's parking lot will commence at 9 p.m. Regular commute fare will be charged.

The Montgomery-Ward parking lot is located one block west of the Eastshore freeway, off the Macdonald Avenue off-ramp.

Nixon's purpose in making his series of Bay Area appearances is to express his personal thanks to those who worked in his behalf during the past campaign.

His wish is to meet his campaigners on a leisurely and informal basis.

He intends to make no major speeches.

'Daisy of A Sale' Comes To B'dway

Merchants of Broadway Shopping Center are planning special sales to welcome Capwell's third floor to the Broadway spectrum. It's "A Daisy of A Sale," and it's running today and tomorrow.

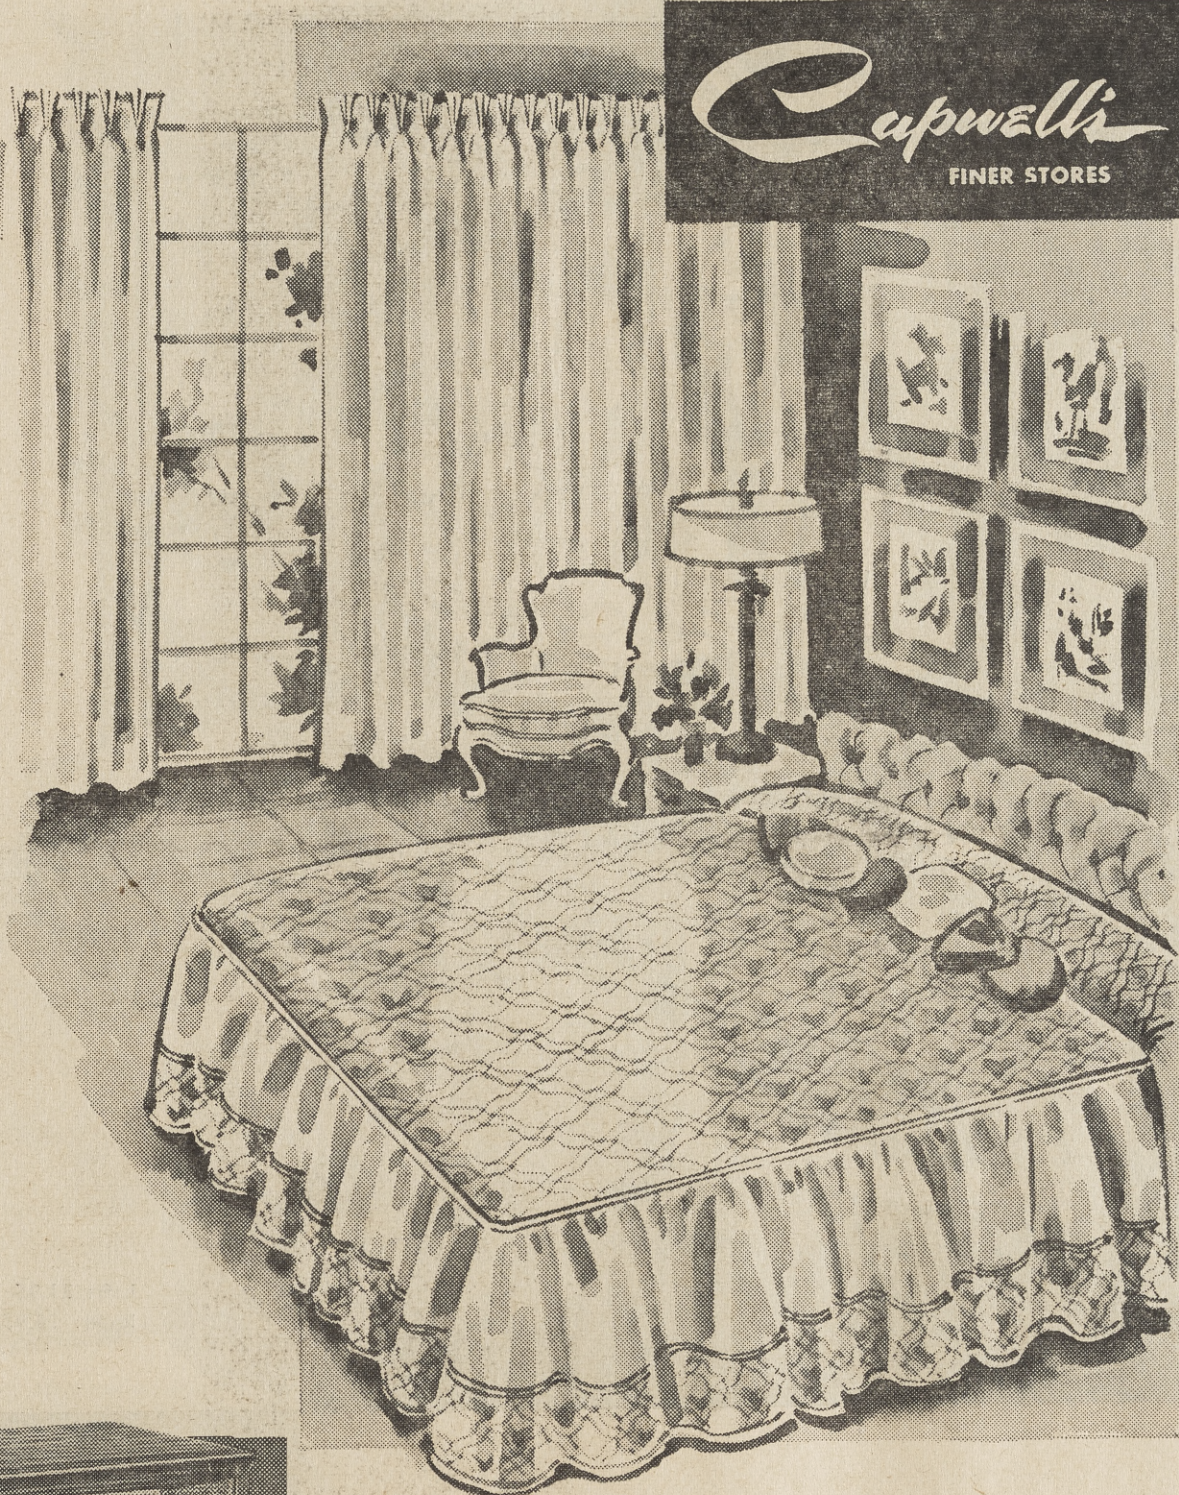

Special merchandising will be designed to complement the Capwell's increased offerings, and announcement of these bargains are included in the Sun Shopping News and regular Sun subscription papers.

George Webster, chairman of the Broadway Merchants Committee, said, "Capwell's is going all out in announcing the grand opening of their new third floor."

Walnut Creek Man Honored by USS

A Walnut Creek man, Thomas J. Lynch, 3074 Arbolado Court, was among 29 honored today for long employment at an awards luncheon at the Pittsburg U.S. Steel plant.

Broadway Welcomes Capwell's New Third Floor

Pint-Size Kitchens Can Be Stretched by Planning

This advice from the Gas Appliance Manufacturers' Association will not be needed for families lucky enough to have spacious kitchens. But if it is one of those galley-type kitchens, take a look and consider what builders-designers have done in hundreds of homes across the country.

For instance:

What can be removed from the cluttered space to gain more floor space? How about that kitchen table used as a work counter or for snack service? Indispensable? Not if a sturdy hinged shelf that folds against the wall is substituted.

THEN THERE are the walls. Can it be possible all those grimaces have been added since the last time the kitchen was painted? Just to experiment, take down all those racks and gadgets and see what happens! Doesn't the wall

actually seem to be breathing again?

Next, GAMA suggests, turn the attention to paint. There's nothing like a very light gray or off-white coloring for walls and woodwork in an unbroken line to create "space" in a tiny kitchen and to make a gas range and refrigerator gleam with new life.

It is all right to be reckless with bright colors in accessories, as long as they are limited to actual necessities. After all, says GAMA, the whole idea of this space campaign is to give sweep to an area that doesn't have it to begin with.

INCIDENTALLY, the people who make gas ranges, dryers, refrigerators and other appliances always design at least part of their line for the people who have to contend with pint-size kitchens.

School District To Buy Property

The Alamo School Board at a recent meeting agreed to send a formal application to the State Department of Education for property on Alamo Way.

John Waugh, district superintendent, said that an elementary school, to be constructed on the site, will be started within the year.

The board also approved the establishment of the 1961 summer school. Waugh said that Harold Davis will be summer school director. The school will follow its usual program.

This will cost about \$30,000, according to Waugh. The remainder will go for other costs of school operation.

A budget workshop, set for April 7, was agreed upon by the board.

A Dress Design Course Offered For Women

Dressing by Design, a short but informative course, will be given Tuesday, Thursday, April 18 and April 20 by the University of California Farm and Home Advisors' Office.

All meetings will be held at the Contra Costa Real Estate Board Auditorium from 10 a.m. to 12. The auditorium is located at 1343 Locust, Walnut Creek.

Decisions in planning a wardrobe will be made so that your clothing will be coordinated, saving money and time. The course will include choosing becoming lines, colors, textures and accessories.

If you would like to attend, send \$1 to cover incidental expenses to Mrs. Williams, P.O. Box 390, Pittsburg—or phone MULberry 2-8601 or HEMPstead 2-6496 for further information.

Young Republicans To Hold Meeting

The executive board of the Contra Costa Young Republicans will hold its monthly meeting Thursday, April 6, at the county real estate board in Walnut Creek.

Jim Goodhue of Concord is chairman of the board.

Unit presidents on the board are Mrs. Wm. Haskins, Concord; Bob Livermore, San Ramon; Don Crandell, Pleasant Hill; Dave Van Hoesen, Orinda; Lloyd Fuller, Antioch; Loyd MacCormick, Lafayette and Roy Westran, Walnut Creek.

The agenda will include a discussion of the current membership drive, "Operation Multiply," and a report on the State Central Committee meeting which was held in Sacramento in March.

United Fund Headed by Richmonder

Dana Murdock, Richmond attorney and civic leader, has been elected president of the Contra Costa United Fund, Inc.

The Fourth Annual meeting was held at Kellogg's in Walnut Creek. Harry R. Lange, president of United Bay Area Crusade and vice president of Cutter Laboratories in Berkeley, as main speaker, outlined the history of UBAC and today's aims.

"In addition to major contributions to the principle of federated funds we now realize a by-product was the creation of better community organizations. We brought people across county lines: some budgeting has been consolidated; and community welfare councils were amalgamated."

Other officers are: First vice president, Drummond J. McCunn of Martinez; vice presidents, Douglas Beasley of Pittsburg, Paul Boyd of Martinez, Ben Goldberger of Pittsburg, J. P. Gustafson of Walnut Creek, Willard Knowles of Martinez, Kenneth McPhee of Richmond, Roy Matson of Martinez, Gerald C. Stanley of Richmond, Gene Williams of Walnut Creek.

Edwin N. Boyce of Richmond is treasurer.

New directors for three-year terms are Alfred H. Albeitz, U.S. Barbachano, A. G. Baxter, Mrs. Frank R. Beede, Harden Blevins, Edwin N. Boyce, Paul C. Boyd, Mrs. Frank Bray Jr., Hal C. Cheney, Sam Cimino, Mrs. Reba

E. Clayton, Vernon Cummings, Helmer Dalen, Vincent Davis, George Deeds, James Dent, Alfred Dias, E. M. Downer, Clifford A. Egan, Karl Ellingson, Mrs. John Glover, Ben Goldberger, Mrs. Harmon Howard, Edward H. Jenkins.

Climbing Roses Need Guidance

Canes of climbing roses should be guided along the fence of trellis that supports them. By arching them slightly, the gardener encourages dormant buds along the cane to break and push up with new growth. And it's on this new growth that the flowers will be borne.

THE FINE POINTS of assembly and disassembly are learned by Pat Wheeler, left, and John Wheeler, at right, during the Walnut Creek Sportsmen's Club Hunter Safety Course. Instructor Joe Monk, center, is preparing the boys for the certificate which will qualify them for their first California hunting license.

STEADY and relaxed is Joe Wheeler, as Jim Monk guides him through his firing procedures. Boys and girls 11 years old and older are eligible to take the course, which has four Saturday sessions. Classes are at the clubhouse, 2800 North Main Street.

—Sun photos by Bob Rush.

Light Violations Cause Accidents

Violations in the use of vehicle lights might appear inconsequential but actually can cause tragedy, Capt. Edward M. Jelich, commander of the California Highway Patrol's Concord area, pointed out.

"One of the most common faults is improperly aimed headlights. Such lights can blind oncoming drivers even on low beam."

"Another is failure to cancel turn signals. Even though blinkers are designed to cancel automatically after a turn, occasionally the apparatus fails or the turn is not sufficiently sharp to trigger the canceling device. The resulting confusion can be deadly, since other drivers depend on the validity of your signal. After you turn a corner or make a lane change, be sure the signal has canceled properly."

"A third problem is improper use of headlights. Remember to dim your lights for oncoming cars at a minimum of 500 feet."

The law also requires you to use low beam when following another vehicle within 200 feet," the captain said.

Women Voters Plan Meet, April 11

Members of the Concord-Diablo Valley League of Women Voters are planning their annual meeting for Tuesday at 8 p.m. in the American Red Cross Building, 2121 Ygnacio Valley Road, Walnut Creek.

And some of them will attend the league's state convention in Santa Barbara, April 18-20. State delegates will be Margaret Baldwin, Mildred Starkie, Jane Keating and Ruth Funk.

The local league's recent newsletter announced an endorsement of the proposed \$710,000 bond issue for classrooms in the Walnut Creek School District. The election will be April 18.

Charm Course for Teen Girls Offered in Area

A Contra Costa beauty queen and professional model will conduct a 12-week self-improvement

and charm course for teenagers in Alamo.

Sandra Stahl Laughlin, Walnut Festival Queen in 1958 and Miss Contra Costa of 1959, will direct the program to be conducted at 1560 Las Trampas in Alamo.

MRS. LAUGHLIN, known locally as Sandy, commented the classes during the course would be limited to five students and the course would consist of lessons in charm, lectures on beauty care and grooming as well as a special session on complexion analysis.

The complexion analysis portion of the course will be directed by Mrs. Margery Kennedy of Alamo, well-known consultant for Sallye Harmer cosmetics.

Each teen-age student will be presented with a complete line of Sallye Harmer cosmetics and a before and after photograph of herself.

At the conclusion of the course, the participants will be entered as models in a local fashion show.

Mrs. Laughlin was judged Miss Kiwanis of 1958 in Walnut Creek and was later awarded the title of Miss Walnut Festival Queen. She was later named Miss Contra Costa County and was a participant in the Miss California Pageant in Santa Cruz.

LAST YEAR she was adjudged Miss Photogenic. She is a graduate of San Ramon high school and the Coronet School of Modeling in San Francisco.

She is presently employed by Coronet as a professional model.

"Classes will commence in the near future," Mrs. Laughlin, who is the daughter of the Charles Stahls of Corwin Drive, Alamo, continued.

"We feel that this self-improvement and charm course which we are offering to the teen-agers of this area will be of aid to them and will help in creating a portion of the much needed assurance which teen-age girls will need in later life," the quiet 21-year-old model noted.

Registration in the course may be made by calling VE 7-6946 on Mondays or VE 7-2089 before 9 a.m. or after 4:30 p.m. during the week, she concluded.

WC Pediatrician Will Speak To Safety Congress

A Walnut Creek pediatrician, Dr. Maxine Sehring, will speak on "Wise Handling of Children in Case of Emergency" at the annual Northern California Safety Congress to be held April 11 and 12 at the Hotel Claremont in Berkeley.

Doctor Sehring's talk will be given at a special session on home safety on Tuesday morning, April 11, from 9:30 to 11:30 in Grecian Room 2.

Doctor Sehring is a member of the Home Safety Committee of the Eastbay Chapter, National Safety Council, sponsor of the two-day safety congress. Other sessions will consider traffic safety and industrial safety.

Doctor Sehring will be joined in the home safety session by Dr. Stephen V. Landreth, speaking on "Injuries Incurred in Home Accidents"; Capt. Herman R. Ostrom, Richmond Fire Department, on "Home Fire Safety, Contractor and Owner Responsibility"; Capt. George Green, Oakland Fire Department, on "What Is Fire?" including a demonstration, and Donald M. Johnson, principal fire protection engineer, Standard Oil Company of California, with a talk and demonstration on "Safe Handling of Flammable Liquids in the Home."

Chairman of the home safety session is Dr. Lester E. Johnson. About 1800 Northern California safety experts are expected to attend the congress and visit the exhibits.

Here Are Recommendations For Your Movie Fare

The following recommendations were made by the Film Estimate Board of National Organizations and are a guide to the selection of movies for your benefit. The code is as follows: A—adults; MY—mature young people; Y—young people; F—family, and C—children unaccompanied by adults.

CARTHAGE IN FLAMES—A-MY-Y

A Franco-Italian spectacular uses the last Punic War and the destruction of Carthage as its background. Well handled action scenes, good use of color and handsome settings.

CIRCLE OF DECEPTION—A

A provocative ethical question is posed in this unusual war drama. Although the well-made film is tense and engrossing, detailed scenes of Nazi torture are over-explicit and over-prolonged.

DON QUIXOTE—A-MY-Y

Much of the humor, pathos and philosophy of Cervantes' classic novel of 17th century Spain has been caught in this poetically beautiful Russian film. Color and music are memorable.

FOXHOLE IN CAIRO—A-MY

Greed for gold and its folly is again a film theme. The well-acted, tough, engrossing western is laid in the strangely beautiful rugged country of southeastern Utah.

GORG0—A-MY-Y

A favorite creation of science fiction—the prehistoric sea monster—is dislodged from his sub-oceanic depths again.

THE LONG ROPE—A-MY

A fast-moving little western takes only an hour to tell its story. With its constant threat of lawless violence and vengeance, is attempted lynching, and its emphasis on the building of the town gallows, the film holds suspense throughout its short running time.

THE MILLIONAIRESS—A-MY

In its de luxe transfer to the screen, George Bernard Shaw's comedy bears little relation to the original. Peter Sellers is wistful, funny and firm in his convictions, Miss Sophia Loren is sensuously beautiful and wilful.

THE MISFITS—A

With a sympathetic insight into the fears, insecurities and desires of his characters, Arthur Miller has written a powerfully moving screen play whose tendency at times to get overly sym- bolic and wordy is offset by intense action, both physical and emotional.

Concert Ass'n To Hold Member Drive

The Acalanes Community Concert Association will hold its membership drive beginning April 24.

The Community Concert Association is organized on a membership basis. Each member pays dues of \$7.00 per year for adult memberships and \$3.50 for student memberships.

Membership entitles one to attend all concerts during each season without additional expense.

This membership is obtainable during a one week campaign when every one is invited to join.

PASSPORT TO CHINA—A-MY-Y

Chinese settings give color to the conventional plot angles of a spy melodrama. Richard Basehart plays the hero in the part English, part Oriental cast of the loosely knit, diverting cloak and dagger thriller.

SINS OF RACHEL CADE—A

During World War II, missionary nurse Rachel Cade goes deep into the Belgian Congo "to save people from disease and sin." Unexpectedly she finds herself in charge of a primitive hospital in an African village, pitting her zealous faith and the white man's medicine against superstition and sickness.

TOMBOY AND THE CHAMP—F

The youngsters whose environment and interests will make them the nation's future farmers and cattlemen are the subject of this pleasant homespun rural drama. There is a statement of appreciation for the interest of the 4-H clubs, the American Angus Association, the National Radio Hi-Fi clubs and many similar groups.

UNDERWORLD, U.S.A.—A

The mazes of syndicated crime are followed in a vicious melo- drama. The complicated, sensational plot moves along in one brutal scene after another, made the more tension-filled by the playing of a competent cast.

THE WHITE WARRIOR—A-MY-Y

Loosely based on a Tolstoi novel, this Italian production builds its story around the rebellion of the freedom-loving Caucasian tribes against the Russian despot, Czar Nicholas I. Costumes and settings make an elaborate showing.

Door Ajar OK; But Janitor Is Too Young

A janitor for a Walnut Creek doctor's office dutifully reported to police that a door had been left open overnight, and officers came down to investigate.

The police report does not indicate that the open door had caused any difficulty, but the officers focused their attention on the janitor.

He was only 15½ years old, and was not attending school, the police said.

Report Shows That State Boomed in Last 10 Years

California's non-farm employ- ment rose 53 per cent during the 1950-60 period, almost exactly three times the national gain of 18 per cent.

Also reported in the current Business Review of Wells Fargo Bank American Trust Company is the fact that California provided one out of every five new non-farm jobs developed in the entire United States during that time.

In sharp contrast to the national experience, California's manufac- turing led all other kinds of non- farm employment gains.

With the country as a whole

showing a 9 per cent rise in manufacturing workers, the state chalked up an impressive 75 per cent increase.

Even more impressive are the gains in manufacturing employ- ment recorded in two major met- ropolitan areas served by Wells Fargo American Trust in north- ern California.

The increase for the San Jose area was 229 per cent and for the Sacramento area was 218 per cent.

Although California's industry has become increasingly diversi- fied, a major part of its industrial growth has been related to na- tional defense.

Grow Them On Pillars

A vine-covered pillar or post suggests coolness on a hot summer day, even if it may not offer protection from the sun. Besides lending a homey atmosphere, many vines offer a bonus of bloom, fragrance or evergreen foliage.

According to the California Association of Nurserymen, there are two methods by which vines may climb vertical supports. One group literally "wraps" themselves around posts—clockwise or counter-clockwise.

If young shoots are started in proper rotation, their growth will be accelerated. Once given a start (except for occasional clipping and thinning) they practically take care of themselves.

TYPICAL examples are: Honeysuckle, jasmine, wisteria, bougainvillea and clematis. The other way that nature provides for vines to climb vertically is by means of rootlets, suction-cup discs, or claws. This category is best suited to grow against masonry, stucco or stone work. To name a few of the many excellent illustrations: Boston ivy, fig ivy, catclaw trumpet and Mexican trumpet vine.

Bougainvilleas are among the

most flamboyant of all flowering vines. Brilliant bracts of red, rose-purple, crimson and bright rose almost constantly in bloom (reaching a peak mid-summer) make bougainvillea eye-catchers wherever they are grown. They like rich soil and full sun, and are especially adaptable to coastal regions. While purple bougainvillea is the hardiest, C.A.N. nurseries offer several variations.

Honeysuckle is an all-time favorite for California porches. The creamy-yellow flowers are prolific on evergreen Hall's Japanese honeysuckle. It will do well in almost any soil—in sun or shade. Biggest of honeysuckles with showy yellow-white flowers that change to bright orange is Burmese honeysuckle.

MEXICAN blood trumpet vine is a sight to behold when its showy clusters of brilliant flowers are out. Throughout most of the year, bursts of bloom follow one another with individual flowers varying from yellow at the base to rich red or purple at the tip. Does best in the coastal belt in full sun. Painted trumpet vine has smaller "trumpets" but is equally hardy. "Pillar to post" ceases to be a mundane description when they're dressed in vines!

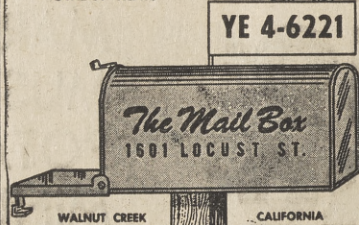

Phone Company Has Purchased Adjacent Land

Pacific Telephone and Telegraph Company has purchased a piece of property adjacent to its Walnut Creek equipment office to provide for additional parking space, H. C. Greenhalgh, manager, said.

The property is next to the building at 1755 Locust Street. The plot is 60 by 225 feet and constitutes the remainder of the block.

Radio Hams Organize

Harold Mumford (W6FAR) of 1271 Walker Avenue, Walnut Creek, has been selected to set up an organization of Eastern Contra Costa County amateur radio operators prepared to furnish organized emergency communications in time of disaster.

This was announced by Communications Manager F. E. Handy of the American Radio Relay League, national association of radio amateurs.

Mumford's assignment, which carries the title of "Emergency Coordinator," is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies.

In addition to use of normal station equipment working from commercial power, amateur stations use self-powered radio

transmitting and receiving equipment as needed.

Mumford, as ARRL emergency coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simulated emergency conditions.

His duties also include liaison planning with the local chapter of the American Red Cross and other relief agencies, as suggested in the working understanding the ARRL Emergency Corps has with the national headquarters of the American Red Cross and other agencies.

Liaison will be established also with local protective services, such as fire and police departments and civil defense communications will receive much attention.

Schutt Raised To Lieutenant By CHP

Veteran Highway Patrolman August M. (Dick) Schutt last week was promoted to lieutenant and assigned to Sacramento where he will oversee the CHP message and dispatch center.

Schutt, 54, who will be eligible for retirement next year, will continue to keep his home at 17 Miramonte Road, Walnut Creek.

Schutt was assigned to the Contra Costa office of the patrol in February, 1955, and spent most of his 26 years service here.

He was assigned 16 months to the Bay Bridge squad after being promoted to sergeant in 1951.

His family has lived in Contra Costa since 1918. His sister, Miss Emelia Schutt, was postmaster in Lafayette until six years ago.

Doctor Protests Big Tax Jump

Dr. Joseph Murphy, owner of a medical building at 1399 South Main Street, Walnut Creek, has applied for a reappraisal of his property as a result of a \$2282 increase in taxes.

Murphy, in a letter to the board of supervisors, said his taxes in

1959 were \$2854, but they jumped to \$5137 the next year.

He said the assessment on the land since he bought it in 1951 has increased some 6000 per cent.

The building erected in 1953 includes a small pharmacy, laboratory, dental suite, medical suite and doctors' offices.

Young People Return From 3-Day Jaunt

Eighty-one young people returned last week from a three-day holiday camp at Hoyfjellet Lodge in the Donner Summit area near Soda Springs.

The "Spring Snow Camp" was sponsored by the Walnut Creek

Presbyterian Church Senior High-people, with a few college students who helped with the program.

Rev. A. M. Robinson, minister of Christian Education and Youth of the Church, stated the group was made up of high school young

men and women, and conferees around the cozy, large fireplace at Hoyfjellet.

From Walnut Creek were Mike Brandt, Sue Brown, Penny Cannon, Sue Umphred, Geri Weil, Mark Johnson, Kathi Rodrick,

Janice Hoover, Pat Palmer, Walter Tickner, Jan Savre, Teresa Goins.

Shirley Naye, Mary Jane Perkins, Linda Wilde, Scott Strachan, Diane Johnson, Cheryl Pro-

Denise Young, Bob Nordeman, Sue Christiansen, Mary Pieratt, Sharon Wisecarver, Holly Henry,

Marjorie Stanford, Sally Marlboro, Alan Long, Janet Long,

EXPERTS SAY MOST HUSBANDS "WEAR THE PANTS"

There is a lot of kidding about "who wears the pants" in most families, but experts say it's the husband—and that's the way the wife wants it!

No argument about the fact that Sun Classified ads are the easy, inexpensive way to sell articles you aren't using. Dial YE 4-5000 now to start your ad.

Buchanan Field, Once Home of Fighter Pilots, Seeks Its 'Discharge' Papers

Renewed efforts to get final "discharge" papers for Buchanan Field, once a training base for U.S. Army P-39 "Aircobra" fighter pilots, will be made by the County Public Works Department.

Victor Sauer, department director, told the board of supervisors his men will take "vigorous and continuing action toward the elimination of the U.S. Government recapture clause from the lease areas of the airport."

Sauer's report followed the assignment of the field to his department.

IT DELVED in detail into the conversion of the field to an "executive airport" and the necessary improvements.

The "recapture clause" is the standard clause included in all contracts where the federal government turned over airport to local authorities after the war.

It provides that during time of future war or national emergency, all or any portion of the use of the military, except any facilities built with private funds, which would be rented for a fair price.

Buchanan Field was built in 1942, and was turned over to the county in 1946.

IT IS highly unlikely, according to airport manager Marvin Scott, that the government will ever reclaim Buchanan Field for military use, since the main runway is only 5000 feet long, and can be lengthened to 6500 feet.

Military jet aircraft require at least 8000 to 10,000 feet, he said. However, the recapture clause has a dampening effect on private parties who want to invest in erecting facilities on the airport property, since financial institutions as a matter of procedure balk where a recapture clause is involved, Scott said.

There are some 580 acres at Buchanan Field, all under the recapture clause.

WITH the removal of the recapture clause, potential investors interested in erecting restaurants, motels, service stations and the like would have less difficulty obtaining backing.

Scott added that the recapture clause is not to be confused with the 20-year grant agreement under which the county obtains federal money for projects at the field. Of course, there is no effort to remove this from the picture!

Scott also added that the removal of the recapture clause would not remove the alternative of military use of the airport in the future, after negotiations and a new agreement.

The county officials are work-

Williams On Dow Michigan Sales Staff

Richard T. Williams of Walnut Creek, agricultural chemicals field salesman in San Francisco for nearly five years, has been appointed to the ag chemicals merchandising staff at Dow's Midland, Michigan, headquarters.

Williams was graduated from the University of California at Berkeley in 1955 with a bachelor of science in agriculture.

He joined Dow that year. His sales territory included northern California, Hawaii and most of Utah and Nevada.

port improvement to be paid "as funds become available."

The other income sources include gasoline flowage fees, gasoline use taxes and airplane and equipment sales taxes.

SAUER listed three major projects.

They are as follows: 1. add a secondary runway; 2. pave the automobile parking area and enlarge the airplane parking apron area; 3. install taxi-way night lights.

Federal funds will be obtained "when possible", Sauer said.

Sauer also listed three deficiencies which should be eliminated to make Buchanan Field an executive airport.

THEY ARE: 1. Lack of covered storage space (T-hangers); overcome by continuing efforts to (Sauer: these weaknesses will be before offering a program for air-

Group Is Organizing

Organization of the Diablo Democratic Youth has been announced by John Wicks of 1984 Jeanette Drive, Pleasant Hill.

Wicks said the groups will "support the approved Democratic Party candidates for public office by keeping the general public informed of the views of these candidates."

A charter has been granted by the California Democratic Council. John Odegard is local president and Doyle Kennedy is vice president.

Persons interested in joining may contact Wicks or the officers.
